rappelling off cliffs, dodging grenades. She's lived through horrors that still give her nightmares. But nothing in Bailey's life-or-death training prepared her for caring for the tiny terror that is five-year-old Olivia Hale. Or how to control her raging attraction to Olivia's father, Streeter, the rugged, green-eyed cattle rancher who undermines her every move even when he stars in her dreams.

Streeter Hale has room for only two things in his life: his daughter and his job. He doesn't date. He doesn't get attached. Not anymore. So not only is Streeter stunned by Olivia's improved behavior after just a few days with Bailey, he's downright floored by his immediate attraction to the woman. But with secrets in her eyes and a body that doesn't quit, Streeter begins to worry that Bailey Masterson might just be the one woman to heal his fractured family and broken heart. One thing's for sure--these two wrecked souls are spinning out of control as they desperately try not to fall in love...

Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Praised by New York Times critic Edwin Clark as a novel that “transcends all ordinary life,” The Worm Ouroboros is frequently named among the greatest works of fantasy fiction ever produced. At their palace in Demonland, Lord Juss, his brothers Goldry and Spitfire, and their cousin Brandoch Daha receive an ambassador from Witchland. After a brief introduction, the visiting dwarf reveals his business—King Gorice XI demands their absolute fealty. Rather than submit, however, Lord Juss challenges Gorice to a wrestling match with Goldry, to be held on the neutral Foliot Isles. Knowing the fate of Mercury hangs in the balance, Goldry fights bravely and defeats the wicked King. Through black magic, however, an evil sorcerer condemns Gordry to imprisonment on a mystical mountain peak. Distraught, Juss, Spitfire, and Brandoch return to Demonland to mount an army in order to march on the capital of the Witches, who have joined forces

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris.

'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers

This early work by James Oliver Curwood was originally published in 1928 and we are now republishing it with a brand new introductory biography. In "The Plains of Abraham," Daniel "James" Bulain, son of a French habitant and of an English schoolmaster's daughter, sees his world turned upside-down as his family and the people of the neighbouring seigneurie are massacred by a war party of Mohawks. James Oliver 'Jim' Curwood was an American action-adventure writer and conservationist. He was born on 12th June, 1878, in Owosso, Michigan, USA. In 1900, Curwood sold his first story while working for the Detroit News-Tribune, and after this, his career in writing was made. By 1909 he had saved enough money to travel to the Canadian northwest, a trip that provided the inspiration for his wilderness adventure stories. The success of his novels afforded him the opportunity to return to the Yukon and Alaska for several months each year – allowing Curwood to write more than thirty such books. Curwood's adventure writing followed in the tradition of Jack London. Like London, Curwood set many of his works in the wilds of the Great Northwest and often used animals as lead characters (Kazan, Baree; Son of Kazan, The Grizzly King and Nomads of the North). Many of

Curwood's adventure novels also feature romance as primary or secondary plot consideration. This approach gave his work broad commercial appeal and helped drive his appearance on several best-seller lists in the early 1920s. His most successful work was his 1920 novel, *The River's End*. The book sold more than 100,000 copies and was the fourth best-selling title of the year in the United States, according to *Publisher's Weekly*. He contributed to various literary and popular magazines throughout his career, and his bibliography includes more than 200 such articles, short stories and serializations. Curwood was an avid hunter in his youth; however, as he grew older, he became an advocate of environmentalism and was appointed to the 'Michigan Conservation Commission' in 1926. The change in his attitude toward wildlife can be best expressed by a quote he gave in *The Grizzly King*: that 'The greatest thrill is not to kill but to let live.' Despite this change in attitude, Curwood did not have an ultimately fruitful relationship with nature. In 1927, while on a fishing trip in Florida, Curwood was bitten on the thigh by what was believed to have been a spider and he had an immediate allergic reaction. Health problems related to the bite escalated over the next few months as an infection set in. He died soon after in his nearby home on Williams Street, on 13th August 1927. He was aged just forty-nine, and was interred in Oak Hill Cemetery (Owosso), in a family plot. Curwood's legacy lives on however, and his home of Curwood Castle is now a museum.
