Keep an open mind and see how much you believe might be true, and formulate your own ideas about... the Unexplained!

WWII expert Stevens shows us the incredible and suppressed technology of the Third Reich and their desire to create highly advanced "wingless" aircraft-yes, flying saucers! Learn why the Schriever-Habermohl project was actually two projects and read the written statement of a German test pilot who actually flew one of these saucers; about the Leduc engine, the key to Dr. Miethes saucer designs; how US government officials kept the truth about foo-fighters hidden for almost sixty years and how they were finally forced to come clean about the German origin of foo fighters. Learn of the Peenemuende saucer project and how it was slated to go atomic. Read the testimony of a German eyewitness who saw magnetic discs. Read the U.S. governments own reports on German field propulsion saucers. Read how the post-war German KM-2 field propulsion rocket worked. Learn details of the work of Karl Schappeller and Viktor Schauburger. Learn how their ideas figure in the quest to build field propulsion flying discs. Find out what happened to this technology after the war. Find out how the Canadians got saucer technology directly from the SS. Find out about the surviving Third Power of former Nazis. Learn of the US government's methods of UFO deception and how they used the German Sonderbueroll as the model for Project Blue Book.

Oxford-educated historian Farrell continues his best-selling book series on suppressed technology, Nazi survival and the postwar psyops with his new book Saucers, Swastikas and Psyops. Farrell discusses SS Commando Otto Skorzeny; George Adamski; the alleged Hannebu and Vril craft of the Third Reich; The Strange Case of Dr. Hermann Oberth; Nazis in the US and their connections to "UFO contactees;" The Memes-an idea or behavior spread from person to person within a culture-are Implants; Adamski's ET Message: The Danger of Weaponized Gravity; and tons more. What do the following things have in common: George Adamski, Fascists, Nazi scientists, American engineers, the CIA, the Wall Street Morgan interests, I.G. Farben, ITT, SS Commando Otto Skorzeny, the post-war Nazi International, American Intelligence and the Mafia Drug Lords? Answer: they are all components of a "breakaway civilization" seeking to protect its control over advanced technologies and to project itself into outer space while waging a covert war here on earth with the same advanced technologies-and the rest of humanity be damned. Join internationally-known researcher Joseph P. Farrell in this next chapter in his expose of secret Nazi wartime and postwar research that he began in The SS Brotherhood of the Bell and Nazi International.

"A fascinating expose proving that Nazi Germany won the race for the atom bomb in late 1944. Were the Nazis secretly researching the occult, alternative physics and new energy sources? This scientific-historical journey tracks down the proof and answers these fascinating questions: What were the Nazis developing in Czechoslovakia? Why did the US Army test the atom bomb on Hiroshima? Why did the Luftwaffe fly a non-stop round-trip mission within twenty miles of New York City in 1944?"--Publisher's description.

In 1977 in the quiet English countryside a film called Alternative Three was aired. It was so shocking that for more than 30 years it's been discussed and analyzed. But what if Alternative Three was in fact real? Was it the blueprint for surviving the end of the world? How does it connect to the Secret Space Program, Nazi UFO's, SDI and even Chemtrails? Are there bases on the Moon? For the first time ever shocking details about the Secret Space Program and Alternative Three are exposed as is the connections between some of the greatest conspiracies of all time and a secret government program to move to Mars to survive the coming global apocalypse. Contents includes: Coming of Age in the Secret Space Race; Alternative Three—The Most Dangerous Show Ever Produced; Geoengineering, Chemtrails and Global Dimming; D.U.M.B Projects and the End of the World; Agenda 21, The Population Bomb and the Georgia Guidestones; The Nazi Flying Saucers; Close Encounters of the Totally Germanic Kind; Lasers, UFOs, and SDI—Evidence of the War in Space, Space Warden and the Hidden Military Machine in Orbit; Weapons in Orbit—Arming the High Frontier; Moon Bases, Mars Bases and The Great Beyond; Staffing the Solar War Machine—Mysterious Disappearances, National Parks, and the Break Away Civilization; more. Includes 4-page color section.

It is a rollicking ride into the world of fantastic science and an even more fantastic past that is just beginning to be imagined!

Throw out everything you think you know about history. Close the approved textbooks, turn off the corporate mass media, and whatever you do, don't believe anything you hear from the government—The Rise of the Fourth Reich reveals the truth about American power. In this explosive new book, the legendary Jim Marrs, author of the underground bestseller Rule by Secrecy, reveals the frighteningly real possibility that today the United States is becoming the Fourth

Reich, the continuation of an ideology thought to have been vanquished more than a half century ago. This concept may seem absurd to those who cannot see past the rose-colored spin, hype, and disinformation poured out daily by the media conglomerates—most of which are owned by the very same families and corporations who supported the Nazis before World War II. But as Marrs precisely explains, National Socialism never died, but rather its hideous philosophy is alive and active in modern America. Unfortunately, most people cannot understand the shadowy links between fascism and corporate power, the military, and our elected leaders. While the United States helped defeat the Germans in World War II, we failed to defeat the Nazis. At the end of the war, ranking Nazis, along with their young and fanatical protégés, used the loot of Europe to create corporate front companies in many countries, including the United States of America. Utilizing their stolen wealth, men with Nazi backgrounds and mentalities wormed their way into corporate America, slowly buying up and consolidating companies into giant multinational conglomerates. Many thousands of other Nazis came to the United States under classified programs such as Project Paperclip. They brought with them miraculous weapon technology that helped win the space race but they also brought their insidious Nazi philosophy within our borders. This ideology based on the authoritarian premise that the end justifies the means—including unprovoked wars of aggression and curtailment of individual liberties—has gained an iron hold in the "land of the free and the home of the brave." For the first time Jim Marrs has gathered compelling evidence that an effort has been underway for the past sixty years to bring a form of National Socialism to modern America, creating in essence a modern empire—or "Fourth Reich"!

There is ample evidence across our solar system of cataclysmic and catastrophic destruction events. The asteroid belt, for example, may be the remains of an exploded planet! The known planets are scarred from incredible impacts, and teeter in their orbits due to causes heretofore inadequately explained. Rejecting the naturalist and materialist assumptions of catastrophism forwarded by other researchers, Farrell asserts that it is time to take the ancient myths of a Cosmic War in the heavens seriously. Incorporating extraterrestrial artifacts, cutting-edge ideas in contemporary physics, and the texts of ancient myths into his argument, Farrell maintains that an ancient interplanetary war was fought in our own solar system with weapons of extraordinary power and sophistication. In doing so, he offers a solution to an enigma that has long mystified researchers, disclosing a cause of that ancient war, the means by which it was waged, and the real nature of the secret technology behind the ancient "Tablets of Destinies." It is all here, folks! The history of the Exploded Planet hypothesis, and what mechanism can actually explode a planet. The role of plasma cosmology, plasma physics (even plasma paleophysics) and scalar physics. The ancient texts telling of such destructions: from Sumeria (Tiamat's destruction by Marduk), Egypt (Edfu and the Mars connections), Greece (Saturn's role in the War of the Titans) and the

Pursuing his investigations of WWII machinations, secret international agreements, breakaway civilizations and hidden wars in Antarctica, author and researcher Joseph P. Farrell examines the continuing mystery of Rudolf Hess, his sudden flight to Scotland, his supposed imprisonment at Spandau Prison in Berlin and how his flight affected affairs in Europe, Israel, Antarctica and elsewhere. Farrell looks at Hess' mission to make peace with Britain and get rid of Hitler—even a plot to fly Hitler to Britain for capture! How much did Göring and Hitler know of Rudolf Hess' subversive plot, and what happened to Hess? Why was a doppelganger put in Spandau Prison and then "suicided"? Did the British use an early form of mind control on Hess' double? John Foster Dulles of the OSS and CIA suspected as much. Farrell also uncovers the strange death of Admiral Richard Byrd's son in 1988, about the same time of the death of Hess. What was Hess' connection to Antarctica? It is Farrell at his best—uncovering the special operations and still-secret activities of WWII and the breakaway civilization.

Who said that Hitler did not die in the bunker in April 1945? Josef Stalin told President Harry Truman that Hitler did not. Marshall Zhukov said "We have found no corpse that could be Hitler's." This book not only tells of the escape of Adolf Hitler, Eva Braun and others of the Third Reich; it includes photographs, files from the FBI, CIA and OSS that show the US knew they escaped, interviews and much more. You will also read the reason that no government went after Hitler even though they knew where he was. This book will change the history you were taught in 5th grade.

Details the technology of mind control, discusses early C.I.A. experiments, and explores related topics including cults, conspiracies, UFOs, and alien abductions

David Childress, popular author and star of the History Channel show Ancient Aliens, brings us the incredible tale of the German flying disk known as the Haunebu. Although rumors of German flying disks have been around since the late years of WWII it was not until 1989 when a German researcher named Ralf Ettl living in London received an anonymous packet of photographs and documents concerning the planning and development of at least three types of unusual craft—craft which we would classify today as UFOs or flying saucers. Ettl went on to make several television documentaries based on the material in the packet and released most of the documents and photos to researchers in Austria and other parts of Europe. What the Ralf Ettl document dump shows us is what many have suspected for a long time: that WWII did not end in the manner in which we have been told, and a remnant of the Nazi military—particularly the SS—continued to operate flying saucers and submarines around the world in the decades after the end of the war. This activity—involving a flying saucer known as the Haunebu—was particularly notable in South America, but it ultimately involved all the continents of the world including Antarctica. Join Childress as he shows us the secret files involving the Haunebu, the Vrill craft, the Andromeda craft, and others. Includes a 16-page color section. Over 120 photographs and diagrams.

The groundbreaking first edition of Secret and Suppressed influenced many in the conspiratorial 90s (including Chris Carter and his X-Files). Now comes the second edition, presenting a new set of revelations, rants, visions and nightmares that illuminate the paranoid and nightmarish post-9/11 world.

"While traveling in disguise in Tibet in the early 1930's, Illion made some chance acquaintances which led to the contacts with an occult fraternity and an invitation to visit the underground city. There he had some truly remarkable experiences, which are recorded in this book. Ilion was one of the first travelers to penetrate Tibet while it was still sealed off from the outside world. Some believe these stories are clearly symbolic but may have some basis in fact and probably capture some of the spirit of popular belief in the region. Determining the account's precise accuracy is difficult from a Western standpoint."--Back cover.

From a military commander's perspective, the role of psychological operations (PSYOP) in the successful planning and execution of modern military operations is absolutely essential. It is an integral part of the United States Special Operations Command mission. Today, the military faces a dynamic and unpredictable world. PSYOP will remain a valuable instrument in the overall defense posture and will be a key asset in the fulfillment of U.S. national policy. This manuscript explores the breadth and depth of fundamental PSYOP roles, principles and methods. Each article is an independent effort and together they represent a cross section of what the best and brightest feel is key to both offensive and defensive psychological operations. Offers a range of exotic technologies the Nazis researched, and challenges to the conventional views of the end of World War Two, the Roswell incident, and the beginning of MAJIC-12, the government's alleged secret team of UFO investigators.

Is there a secret space program that is connected in some way to UFOs? In this booklet, historian Richard Dolan delves into this question, one of the most discussed in ufology today. Providing a wealth of data and context for the reader, he offers his own conclusion: yes, there is indeed such a program. But this program is not a simple extension of the normal operations of the U.S. government or military, much less of NASA. Instead, it seems to be the product of what Dolan has previously termed a "breakaway civilization," a radically advanced and increasingly separate structure that has access to classified science and data denied to the rest of us. Adapted from his classic lecture at the Secret Space Program and Breakaway Civilization conference in San Mateo, this is now offered as a volume in the Richard Dolan Lecture Series.

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion

against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny.

Trevor J. Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime. In Light and Dark, he recounts some of these incredible interactions. He believes that reality occurs on two separate but interwoven planes of existence—the Earth plane and the multiple levels of the spiritual planes, including the lower levels, from where the dark souls of humans

who have died reach out to us. He has experienced more than one hundred sightings of the shadow people, or “black ghosts.” He credits guardian angels with saving him from harm or certain death on a number of occasions.

Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs. He has personally experienced clairaudience—voices from beyond—and precognition, or the ability to see the future. His detailed account of a unique out-of-body experience (OOBE) challenges what is known about this remarkable ability. His OOBE was unlike anything that has ever been described by others who have experienced it—and he shares it all in *Light and Dark*. But it hasn't all been safe or pleasant. At eighteen, he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him. A comprehensive handbook for the paranormal enthusiast, Hawkeswood's work also provides a glossary and reference list of English-language UFO books. In *Light and Dark*, he shares a lifetime of experiences, ideas, and theories about this fascinating field of study.

The much-anticipated sequel to Joseph P. Farrell's "Babylon's Banksters." The banksters have moved from Mesopotamia to Venice...

David Childress, popular author and star of the History Channel show *Ancient Aliens*, brings us the amazing story of the German Andromeda craft, designed and built during WWII. Along with flying disks, the Germans were making long, cylindrical airships that are commonly called motherships—large craft that house several smaller disk craft. It was not until 1989 that a German researcher named Ralf Ettl, living in London, received an anonymous packet of photographs and documents concerning the planning and development of at least three types of unusual craft—including the Andromeda. Ettl went on to make several television documentaries based on the material in the packet and released most of the documents and photos to researchers in Austria and other parts of Europe. What the Ralf Ettl document dump shows us is what many have suspected for a long time: that WWII did not end in the manner in which we have been told, and a remnant of the Nazi military—particularly the SS—continued to operate aircraft and submarines around the world in the decades after the end of the war. Much of this activity has been attributed to UFO activity, but Childress lifts the veil shrouding some of these cases and shows that Andromeda and Haunebu craft were involved in many of these incidents over the decades. Join Childress as he shows us the secret files involving the Andromeda, Haunebu, and Vril craft. Chapters include: Gravity's Rainbow; The Motherships; The MJ-12, UFOs and the Korean War; The Strange Case of Reinhold Schmidt; Secret Cities of the Winged Serpent; The Green Fireballs; Submarines That Can Fly; The Breakaway Civilization; more. Topics in this amazing book include: Exploding Planets: The Movie, the Mirror, and the Model; Dating the Catastrophe and the Compound; A Brief History of the Exoteric and Esoteric Investigations of the Great Pyramid; No Machines, Please!; The Stargate Conspiracy; The Scalar Weapons; Message or Machine?; A Tesla Analysis of the Putative Physics and Engineering of the Giza Death Star; Cohering the Zero Point, Vacuum Energy, Flux: Synopsis of Scalar Physics and Paleophysics; Configuring the Scalar Pulse Wave; Inferred Applications in the Great Pyramid; Quantum Numerology, Feedback Loops and Tetrahedral Physics

Public interest in Adolf Hitler and all aspects of the Third Reich continues to grow as new generations ponder the moral questions surrounding Nazi Germany and its historical legacy. One aspect of Nazism that has not received sufficient attention from historians of the Third Reich is the doctrine's origins in the Thule Society and its covert activities. A Munich occult group with a political agenda, the Thule Society was led by Rudolf von Sebottendorff, a German commoner who had been adopted by nobility during a sojourn in the Ottoman Empire. After returning to Europe, Sebottendorff embraced a form of theosophy that stressed the racial superiority of Aryans. The Thule Society attempted to establish an anti-Semitic, working-class front for disseminating its esoteric ideas and founded the German Workers' Party, which Hitler would later transform into the National Socialist German Workers' (Nazi) Party. Several of the society's members eventually assumed prestigious posts in the Third Reich. David Luhrssen has written the first comprehensive study of the society's activities, its cultural roots, and its postwar ramifications in a historical-critical context. Both general readers and academics concerned with European cultural and intellectual history will find that Hammer of the Gods opens new perspectives on nineteenth- and twentieth-century Europe.

Part conspiracy theory, part popular science, Genes, Giants, Monsters and Men explores the possibility that the history of the human race is not as simple as has been taught in textbooks. Farrell considers how the religious stories that have often been the core basis for mankind's understanding of where it belongs in the history of creation may actually reveal a planet occupied with tyrannical giants and an elite race bent on genetic mutation.

In this latest installment of his remarkable series of books of alternative science and history, Joseph P. Farrell outlines the consistent pattern and strategy of bankers in ancient and modern times, and their desire to suppress the public development of alternative physics and energy technologies, usurp the money creating and issuing power of the state, and substitute a facsimile of money-as-debt. Here, Farrell peels back the layers of deception to reveal the possible deep physics that the "banksters" have used to aid them in their financial policies. Feral House also published Farrell's *Philosopher's Stone: Alchemy and the Secret Research for Exotic Matter*.

Oxford-educated historian Joseph P. Farrell really delivers in this latest addition to his best-selling book series on suppressed technology, Nazi survival and postwar hidden conflicts. His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control few people even suspect exists. Farrell delves into the creation of a breakaway civilization by the Nazis in South America and other parts of the world. He discusses the advanced technology that they took with them at the "end" of World War II and the psychological war that they waged for decades against America and NATO. He shows how the breakaway civilization has created a huge system of hidden finance with the involvement of the Vatican Bank (among others), and how NATO established a large covert warfare network and political slush fund. He investigates the secret space programs currently sponsored by the breakaway civilization and the current militaries in control of planet Earth.

Farrell includes a fascinating discussion of “emulational” technologies (those that can manipulate acts of god/nature, like earthquakes and storms) from the standpoint of the culture of “full spectrum dominance” and the culture of “plausible deniability”-yes, there are plans for mass destruction that can never be traced back to their real source. Farrell also discusses the historical origin of the breakaway civilization with the continuing airship mystery; incredibly bold counterfeiting operations; and the nexus of spy satellites, nuclear weapons and UFOs. He includes plenty of astounding accounts, documents and speculation on the amazing alternative history of hidden conflicts, secret super-finance and technology.

The Los Angeles Air Raid on February 24/25, 1942 opened an unprecedented chapter in the evolution of the U.S. Navy. In response to this incident, a covert research program to investigate the feasibility of exotic antigravity propulsion technologies was developed. In addition, Navy operatives were embedded in Nazi occupied Europe to learn about the Germans' advanced flying saucer programs, and they discovered the Nazis were receiving assistance from two extraterrestrial groups with very different agendas. The debriefing of the operatives took place at Naval Air Station, San Diego, led by Rear Admiral Rico Botta. He instructed a -Disseminator of Naval Research and Information-, William Tompkins, to take confidential briefing packets to select think tanks, corporations and university departments around the country. Later, Tompkins worked with a number of leading aerospace companies to design massive spacecraft for a secret U.S. Navy space program, and was fatefully assisted by extraterrestrial visitors described as -Nordics-. An extensive number of documents substantiate Tompkins' claims of the existence of a covert Navy program created to study, design and build deep space battle groups. They became operational in the 1980's. Now the Navy has a new goal to enact a plan to level the universal playing field, and the election of President Donald Trump may just be the wild card they needed to reveal ... everything! Already well-known for his bestselling series of exposés on secret Nazi technology and the survival of the Third Reich after the end of World War II, Oxford-educated historian and physicist Joseph P. Farrell here delves ever deeper into the activities of this nefarious group. In his previous works, Farrell has clearly demonstrated that the Nazis were clandestinely developing new and amazing technologies toward the end of WWII, and that the key scientists involved in these experiments were exported to the Allied countries at the end of the conflict, mainly the United States, in a move called Operation Paperclip. NASA director and developer of the Saturn V rocket that sent Americans to the moon, Werner von Braun, was one of these scientists. Farrell has traced the links between ongoing Reich activities and the newly-formed CIA and other defense/ military/ industrial establishments. Now, Farrell has meticulously reviewed the best-known Roswell research from UFO-ET advocates and skeptics alike, as well as some little-known source material, and comes to a radically different scenario of what happened in Roswell, New Mexico in July 1947, and why the US military has continued to cover it up to this day. Farrell presents a fascinating case sure to disturb both ET believers and disbelievers, namely, that what crashed may have been representative of an independent postwar Nazi power-an extraterritorial Reich monitoring its old enemy, America, and the continuing development of the very technologies confiscated from Germany at the end of the War.

The Book of Revelation tells of angels who fall from their heavenly estates. The Mayan calendar foretells the fall to some two hundred thousand years ago. The discord that followed sent repercussions to earth, arriving about nine thousand years ago when the first generation of the human race Israel emerged. By 4500 BC, an Agenda of a Snake from the fallen angels began to breed the biblical lines of Cain and Seth. Soon, the third generation emerged, and the conditions man calls good and evil began proliferating on the earth. Man's spirit commenced through the spirit of the angel Michael, but today it remains trapped within the human mind. Six thousand years ago, the angels Michael, Ra, Viracocha, and Ra Agenda came to earth to free

man's spirit by attempting to prevent the creation of the human race. Unsuccessful, they left earth, bequeathing the Mayan calendar, which contains information about the five Ages, to the Mayan people. The Ra Agenda reemerged by 1948 as the mysterious UFO that defied the laws of reality. They have come to secretly assist mankind through the approaching shift in human consciousness scheduled to occur in the fifth Mayan Age of Aquarius in the year 2040. Pursuing his investigations of high financial fraud, international banking, hidden systems of finance, black budgets and breakaway civilizations, author and researcher Joseph P. Farrell investigates the theory that there were not two levels to the 9/11 event, but three. He says that the twin towers were downed by the force of an exotic energy weapon, one similar to the Tesla energy weapon suggested by Dr. Judy Wood, and ties together the tangled web of missing money, secret technology and involvement of portions of the Saudi royal family. Farrell unravels the many layers behind the 9-11 attack, layers that include the Deutschebank, the Bush family, the German industrialist Carl Duisberg, Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII. It is Farrell at his best—uncovering the massive financial fraud, special operations and hidden technology of the breakaway civilization.

An exceptional examination from award-winning author and producer Tom DeLonge with renowned research author Peter Levenda, *Sekret Machines: GODS* will take you on an eye-opening journey that transcends speculation and is based on unprecedented access to officials at the highest levels of government, military and industrial agencies who have provided insights and assistance never before experienced by any researchers in this controversial field. *GODS* takes us beyond speculation to certain knowledge of what exactly lies at the heart of the most important Phenomenon ever to confront human understanding. This first volume introduces the reader to some of the critical issues that are foundational to an intelligent and enlightened grasp of the revelations that will follow in the next two volumes. There is another Force in the universe of our Reality, another context for comprehending what has been going on for millennia and especially in the last seventy years. *Sekret Machines* is the result of input from scientists, engineers, intelligence officers, and military officials -- a group we call the Advisors -- and transcends the speculation of journalists, historians and others whose conclusions are often either misinformed or only tease around the edges of the *Sekret Machines*. The reader will not discover wild theories or unfounded claims, but instead will confront a solid -- if often unsettling -- reality, one that demands the collaboration of all of us in every field of human endeavor if we are to understand it and manage its effects. If nothing else, readers will come to the conclusion that the Phenomenon is not what they think it is. It is, in fact, much more serious and potentially much more threatening than they can imagine. *Sekret Machines: GODS* is volume one of the companion investigation series to the bestselling thriller *Sekret Machines: Chasing Shadows* by DeLonge and NYTimes bestselling author AJ Hartley. The whole is truly greater than the sum of its parts. Read together, the thriller series and the investigation series show what cannot be revealed with one approach alone.

The immense genius of Tesla resulted from a mind that could see an invention in 3-D, from every angle, within his mind before it was easily built. Tesla's inventions were complete down to dimensions and part sizes in his visionary process. Tesla would envision his electromagnetic devices as he stared into the sky, or into a corner of his laboratory. His inventions on rotating magnetic fields creating AC current as we know it today, have changed the world—yet most people have never heard of this great inventor Is he a suppressed inventor, as many historians contend? Many of Tesla's concepts and inventions are still thought of as science fiction today—over 60 years later! Includes: Tesla's fantastic vision of the future, his wireless transmission of power, Tesla's Magnifying Transmitter, the testing and building of his towers for wireless power, tons more. The genius of Nikola Tesla is being realized by millions all over the world!

What do the Fourth Crusade, the exploration of the New World, secret excavations of the Holy Land, and the pontificate of Innocent the Third all have in common? Answer: Venice and the Templars. What do they have in common with Jesus, Gottfried Leibniz, Sir Isaac Newton, Rene Descartes, and the Earl of Oxford? Answer: Egypt and a body of doctrine known as Hermeticism. In this book, noted author and researcher Joseph P. Farrell takes the reader on a journey through the hidden history of the Middle Ages, the Renaissance and early Enlightenment, connecting the dots between Venice, international banking, the Templars, and hidden knowledge. He draws out the connections between the notorious Venetian "Council of Ten," little known Venetian voyages to the New World, and the sack of Constantinople during the Fourth Crusade. The hidden role of Venice and Hermeticism reached far and wide, into the plays of Shakespeare (a.k.a. Edward De Vere, Earl of Oxford), into the quest of the three great mathematicians of the Early Enlightenment for a lost form of analysis, and back into the end of the classical era, to little known Egyptian influences at work during the time of Jesus.

Oxford-educated historian Joseph P. Farrell delivers the sequel to his best-selling Covert Wars and Breakaway Civilizations, part of his book series on suppressed technology, Nazi survival, secret finance and postwar hidden conflicts. His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control that very few people even suspect exists. Farrell delves deeper into the breakaway civilizations created by the Nazis in South America and other parts of the world. He elaborates on the advanced technology that they took with them at the "end" of World War II and shows how they created a huge system of hidden finance with the involvement of leading financial institutions around the world. He exposes the secret space programs used by the breakaway civilizations and reveals the clash of civilizations—a virtual secret war going on around us. He investigates the current space secrecy that involves UFOs, suppressed technologies and the hidden oligarchs who control planet Earth for their own gain and profit. Farrell probes the mystery surrounding Dr. Kurt Debus and his links to NASA and Werner von Braun. He uncovers the covert operations of Richard Bissell, the flying saucer designs of Alfred

Loedding and T. Townsend Brown, and strange activity on Mars involving UFOs. He explains the magneto-hydrodynamic anti-gravity drives that would easily power such craft. He includes a continued discussion of “emulational” technologies (those that can imitate acts of god/nature, like earthquakes and storms) from the standpoint of the culture of “full spectrum dominance” and the culture of “plausible deniability.” Farrell includes plenty of astounding accounts, documents and speculation on the amazing alternative history of hidden conflicts, secret oligarchies and super technology. The ultimate question is no longer "who am I" or "why am I here." These questions were answered in the earliest civilizations by philosophers and priests. Today we live in an age of such rapid advances in technology and science that the ultimate question must be rephrased: what shall we be? This book investigates what may become of human civilization, who is setting the agenda for a trans-humanistic civilization, and why . The modern Victor Frankenstein holds a high political office, carries diplomatic immunity, and is most likely funded by the largest corporations worldwide. His method is ancient: alchemy. His fraternities are well known and their secrets are well kept, but his goal of times past and present is the same; he dares to become as god, genetically manipulating the seeds of the earth, the beasts on the fields, and to claim legal ownership over humanity by re-creating it in his own image. This is no fairy tale, science fiction, or conspiracy theory ... it simply is! Transhumanism, a Grimoire of Alchemical Agendas by Dr.'s. Joseph P. Farrell and Scott D. de Hart lifts the veil from the macabre transhumanistic monster being assembled and exposes the hidden history and agenda that has set humanity on a collision course for the Apocalypse. Joseph P. Farrell is the author of the best-selling Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda. Pursuing his investigations of high financial fraud, international banking, hidden systems of finance, black budgets and breakaway civilizations, author and researcher Joseph P. Farrell continues his examination of the post-war Nazi International, an “extra-territorial state” without borders or capitals, a network of terrorists, drug runners, and people in the very heights of financial power willing to commit financial fraud in amounts totaling trillions of dollars. Breakaway civilizations, black budgets, secret technology, occult rituals, international terrorism, giant corporate cartels, patent law and the hijacking of nature: it's all in this book where Farrell explores what he calls ‘the business model’ of the post-war Axis elite. It is Farrell at his best—uncovering the gargantuan financial fraud and hidden technology of the breakaway civilization.
