On the day Bernarda Alba buries her second husband, she imposes an 8-years period on her household in accordance with her family tradition. Bernarda has 5 daughters, aged between 20 and 39, whom she has controlled inexorably and prohibited from any form of relationship. Exchanging the oppressive heat of early twentieth century Spain for the oppressive rain of 1950s England, this brand new translation of Lorca's masterpiece distils the essence of the original play, showing the parallels between 1920s Andaluca and 1950s Sussex while maintaining the emotional drive of Lorca's study of class, grief and -overall- the earthshattering consequences of attempting to repress the human heart.

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

Introduction to English as a Second Language Workbook accompanies the Coursebook (sold separately) in this Fourth edition series, and is presented in an accessible updated design. Each Workbook unit reinforces the topic and theme from the corresponding Coursebook unit, and provides additional practice in reading, writing and listening. Furthermore, each Workbook unit starts with a review of key vocabulary from the corresponding Coursebook unit, and contains a specific language focus.

A reader's fictional tour of the art and lives of some of the great 20th-century Surrealists An author (a version of Vila-Matas himself) presents a short "history" of a secret society, the Shandies, who are obsessed with the concept of "portable literature." The society is entirely imagined, but in this rollicking, intellectually playful book, its members include writers and artists like Marcel Duchamp, Aleister Crowley, Witold Gombrowicz, Federico García Lorca, Man Ray, and Georgia O'Keefe. The Shandies meet secretly in apartments, hotels, and cafes all over Europe to discuss what great literature really is: brief, not too serious, penetrating the depths of the mysterious. We witness the Shandies having adventures in stationary submarines, underground caverns, African backwaters, and the cultural capitals of Europe.

"The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.

Teachers are obsessed with telling you what to learn. The problem is, nobody teaches you how to learn. This is all about to change. In his new book, How To English, Adam David Broughton shares a revolutionary and powerful system that teaches you exactly how to make incredible progress in all aspects of English. In How To English, you will learn 62 practical techniques to become an independent learner in 31 days, and everything you will ever need to get the level you've always wanted in English and enjoy the process. How to master English fluency How to listen perfectly in English How to stop making mistakes in English How to improve your pronunciation How to expand your vocabulary in English How to have perfect English grammar How to stay motivated, be disciplined and create a habit ...and 55 other amazing techniques. Everyone knows that it's not what you do in class that determines your progress in English, it's what you do when you are not in class. However, English learners often don't know what to do. As a result, at some point, every English learner stops making progress. Then they get frustrated. How To English is the antidote to this frustration. When you learn how to learn English, you never need to worry about what you learn in English.

This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword

in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

"Ever since I could chase a bone, I've longed to talk..." The first talking-dog story in Western literature—from the writer generally acknowledged, alongside William Shakespeare, as the founding father of modern literature, no less? Indeed, *The Dialogue of the Dogs* features, in a condensed, powerful version, all the traits the author of *Don Quixote* is famous for: It's a picaresque rich in bawdy humor, social satire, and fantasy, and it uses story tactics that were innovative at the time, such as the philandering husband who, given syphilis by his wife, is hospitalized. Late one feverish night he overhears the hospital's guard dogs telling each other their life's story—a wickedly ironic tale within the tale within the tale, wherein the two virtuous canines find themselves victim, time and again, to deceitful, corrupt humanity. Here in a sparkling new translation, the parody of a Greek dialogue is so entertaining it belies the stunningly prescient sophistication of this novella—that it is a story about telling stories, and about creating a new way to discuss morality that isn't rooted in empiricism. In short, it's a masterful work that flies in the face of the forms and ethics of its time...and perhaps ours as well. The *Art of The Novella* Series Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the *Art Of The Novella* series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.

Information-rich topics and texts immerse adult learners in themes and issues from around the world so that English is more relevant.
