No one there knows she was once victim number seventeen in the grisly story of serial killer Francis Michael Coben. The only one who lived. Her superiors dismiss her concerns, but Ellery knows the vanishing season is coming and anyone could be next. She contacts the one man she knows will believe her: the FBI agent who saved her from a killer all those years ago. Agent Reed Markham made his name and fame on the back of the Coben case, but his fortunes have since turned. His marriage is in shambles, his bosses think he's washed up, and worst of all, he blew a major investigation. When Ellery calls him, he can't help but wonder: sure, he rescued her, but was she ever truly saved? His greatest triumph is Ellery's waking nightmare, and now both of them are about to be sucked into the past, back to the case that made them...with a killer who can't let go.

He spends the next decade drifting between the therapy couch and dead-end pursuits. Then along comes Sadie. A mender by nature, she tries her best to fix him and has enough energy to carry them both through the next few years. One evening, Mark bumps into an old schoolfriend, Ruby. She saw the accident first hand. He is pulled towards her by a force stronger than logic: the universal need to reconcile one's childhood wounds. This is his chance to, once again, feel the enveloping warmth of unconditional love. But can he leave behind the woman who rescued him from the pit of despair, the wife he loves? His unborn child? This is a story about how childhood experiences can profoundly impact how we behave as adults. It's a story about betrayal, infidelity, and how we often blinker ourselves to see a version of the truth that is more palatable to us.
