

Surviving Chaos A Post Apocalyptic Emp Survival Thriller The Emp Book 4

He hated the rules until the power grid failed. Tyler Ford is a tour guide, a brother, and the son of a prepper from Whitefish, Montana. Robbed of a childhood and forced to learn his father's stringent rules of survival for every kind of apocalypse, he couldn't wait to leave home, but when an EMP obliterates the United States electrical grid, takes out communication and stalls vehicles, Tyler must face the past and remember what he taught him if he hopes to make it out of Vegas alive. When chaos erupts, will you know the rules to survive? Erika Lyons just wanted an evening away from the hectic world of hotel management but she got more than she expected. There's only one thing worse than a bad date, that's relying on them to keep you alive. Demanding guests were a challenge, desperate ones, pure hell. As food stops being delivered, vehicles clog up the streets, and society begins to unravel, sin city could be the most dangerous place in America. In a world without power, fighting to stay alive may be the only rule that matters. With no warning, no communication, and planes falling out of the sky, the Ford's may be the only ones who know what it takes to thrive. Can Tyler, and two ordinary strangers survive the perilous journey home to Montana? Can the Ford family hold it together long enough to push back the tide of violence, looters and roving gangs? And will they help the community survive as the world is thrown into darkness? Rules of Survival is book one in Survival Rules, a post-apocalyptic EMP thriller series following the Ford family and their community as they fight to survive after an EMP destroys the nation's power grid. Get the first three books in the After the EMP series in one box set! If the power grid fails, how far will you go to survive? Madison spends her days tending plants as an agriculture student at the University of California, Davis. She plans to graduate and put those skills to work only a few hours from home in the Central Valley. The sun has always been her friend, until now. When catastrophe strikes, how prepared will you be? Tracy starts her morning like any other, kissing her husband Walter goodbye before heading off to work at the local public library. She never expects it to end fleeing for her life in a Suburban full of food and water. Tackling life's daily struggles is one thing, preparing to survive when it all crashes down is another. The end of the world brings out the best and worst in all of us. With no communication and no word from the government, the Sloanes find themselves grappling with the end of the modern world all on their own. Will Madison and her friends have what it takes to make it back to Sacramento and her family? Can Tracy fend off looters and thieves and help her friends and neighbors survive? The EMP is only the beginning. The Darkness Trilogy (Books 1-3 in After the EMP) follows the Sloane family as they attempt to survive after a geomagnetic storm destroys the nation's power grid.

Hailed as "an extraordinary novel of men at war" (The Washington Post) this is the book that inspired the TNT television

series starring Eric Dane, Rhona Mitra, Adam Baldwin and Michael Bay as Executive Producer. The unimaginable has happened. The world has been plunged into all-out nuclear war. Sailing near the Arctic Circle, the U.S.S. Nathan James is relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth's last remaining survivors—and they've all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

A nation in darkness. A bitter Northern Michigan winter. The harrowing journey of survival begins. Newly married, John and Angie Aikens are on a hunting trip in Northern Michigan when an EMP plunges the nation into darkness. They need to head back to civilization to reunite with Angie's daughter, Sarah, but quickly discover that not only is their truck inoperable, the wild animals are acting weird...and becoming more hostile and dangerous by the hour. Now, they must fight not only the elements on their journey back home, but avoid the growing chaos and nefarious forces that are closing in on them. ** Note: This is the first book in a series. Rated PG-13 for mild language and moderate violence **

In a heartbeat, everything grinds to a halt...On Christmas Eve, the lights go out. Vehicles stop working. Communications break down. Reclusive former soldier Liam Coleman doesn't want to be anywhere near bustling downtown Chicago the day before Christmas. But his twin brother and his pregnant sister-in-law need him, so he makes the trip. But mere minutes after leaving O'Hare, their car crashes, along with hundreds of other vehicles. When Liam's phone stops working, he begins to suspect something more sinister than a local power outage. But before he can react, the first plane falls from the sky... When a super EMP takes down the nation's power grid, Liam knows it's time to bug out. He's prepared, but he never expected to be caught in the middle of Chicago as chaos erupts. With society collapsing before his very eyes, Liam will have to risk more than he ever thought possible to protect the ones he loves--if it's not already too late. Chaos Rising is the riveting post-apocalyptic EMP survival thriller prequel novella set in the Edge of Collapse universe, a brand new series from bestselling author, Kyla Stone. Includes a six-chapter sneak peek of Edge of Collapse, book #1 in the explosive new post-apocalyptic series.

A terrifying blackout. A nation under attack. The beginning of survival. In 1987, five friends had high hopes of joining the military. It never happened. Thirty years later, after their grizzled army coach dies, they reunite for a weekend excursion to fulfill his last wishes. But when the nation comes under attack and the country is thrown into darkness and chaos, they must band together and fight to survive.

How long would you last? It's been two weeks since the EMP. Getting out was just the beginning. Staying alive is proving

harder than anyone could have imagined. Max knows people will come from the cities. He knows they'll be ready to fight, to do whatever it takes to ensure their own survival. Will he be able to lead the others in the defense of the farmhouse, even when he's still recovering from his injuries? Georgia is in charge of hunting for food. But each trip into the woods brings her closer to danger. She's already seen signs of others out there. It's just a matter of time before she runs into people who will do anything to get her gun and her gear. How dangerous do things have to get before she stops trying to provide for her kids? John is Max's estranged brother. He had a good life in the city. He'd always made fun of Max for worrying about being prepared. Now, his upscale apartment has become a prison cell. He's wishing he was more like his brother. Does he want to have what it takes to try to get out of the city? Staying Alive is book 2 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

Do you have what it takes to survive? The EMP hits. The lights go out and silence roars. Society is on the brink of violent chaos. The only way to survive is to get out, away from the cities and into the wilderness. Max is an office worker with some gear and a plan. He's one of the first to realize the unspoken dangers. A few years ago, he inherited an old farmhouse. His plan is to get to it as fast as possible and bunker down. He thinks he's ready, but he quickly discovers that there's more to surviving than just having the right gear. Mandy is a waitress with the day off work. What seems like a normal power outage quickly turns terrifying. Her peaceful town is no longer the home she once knew. She's offered a way out, but can she put her trust in a perfect stranger? Georgia is a single mother who just wants to keep his two teenage kids safe. She drives a pickup and loves hunting. She has skills that could keep her family alive, but is she ready to make life or death decisions in the blink of an eye? Do Max, Mandy, and Georgia have what it takes to overcome the unexpected? After all, even the best-laid plans can come up short. Getting Out is book 1 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

"It was New Year's Eve. As the ball dropped in Times Square, Americans were preparing for a new year and a bright future. Instead they found themselves fighting for their lives as the fuse had been lit that sent the country into chaos. With political rancor at an all-time high, the war of words escalated, and a political war erupted. Americans were caught in the crosshairs of societal unrest and a shadowy group stoking the fires of discontent burning in America. Words were replaced by weapons as neighbor turned on neighbor, and powerful forces stopped at nothing to reshape a nation in turmoil. America had become embroiled in something more than a clash of ideologies. She now faced a battle in which the blood of patriots and tyrants would be shed. As Americans struggled to survive, they sought a place of safety where they could ride out the coming storm. However, even if they can overcome the threats confronting them, will they bear witness to an America hell-bent on destroying itself? This is a story of a nation divided, on the cusp of a second civil war,

and what that portends for our future. Remember, all empires collapse eventually, and America will be no exception."--Publisher description.

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over-the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

Two weeks into the apocalypse, would your switch be flipped? Colt isn't a family man. As an air marshal, he doesn't have time for commitment. When his plane emergency lands outside of Eugene, Oregon, he knows it's the beginning of the end. When he sets off on his own, he's ready to face the future alone. Rescuing a kid isn't part of his plan. When you have nothing left, can you find the will to survive? Dani's only fifteen, but she's no stranger to hardship. When the pangs of hunger drive her to the brink, Dani makes the difficult choice to steal. She knows she might get caught. She never expects a stranger to save her. The end of the world brings out the best and worst in all of us. Colt and Dani will have to fight to survive in this post-apocalyptic world. Joining forces isn't part of the plan, but desperate times call for desperate measures. With danger around every corner, will they find the strength to trust each other? Or will the past ruin any chance of seeing the future? *The EMP* is only the beginning. *Chaos Comes* is book four in the *After the EMP* series, a post-apocalyptic thriller series following ordinary people trying to survive after a geomagnetic storm destroys the nation's power grid. Although *Chaos Comes* follows the chronological events of *After the EMP* series, it is book one in a new trilogy featuring new characters. It can be read first.

Jesse Michaels, bike messenger, Damon Miles, just out of prison, Maggie Gray, call center technician, and Elliot, who has been living on the streets, all find themselves in Times Square on New Year's Eve but instead of a celebration, all the power goes out and the city descends into chaos. The only way these four people will survive the aftermath of an EMP is if they work together to get out of New York City.

In an ordinary day, a devastating event will change lives forever. Alex Reid, a U.S. Coast Guard is on the brink of divorce. On the day his wife arrives on the east coast to have him sign papers, the nation's crippled by a string of increasingly bizarre disasters. When the internet, communication and power grid goes down, and explosions erupt across America, they soon find themselves fighting to stay alive. Desperate to protect family, together they're forced to venture across a

chaotic and powerless country in search of their daughter. As the world ends and panic takes hold, they must overcome more challenges than a broken marriage to survive. As Our World Ends is book one in the Cyber Apocalypse series, a post-apocalyptic survival thriller that follows a husband and wife as they fight to stay alive after an unknown attacker destroys the country and power supply.

Surviving Never Gets Easy With a child on the way, Max makes the toughest decision he's ever made. He leaves home. And now he doesn't know if he'll make it back. Without proper medical care, Mandy hopes that she'll deliver her baby without complications. When her daughter goes missing, Georgia must leave camp once again. She has the courage and determination to find her, but she doesn't even know which direction to head in. Finding Shelter is book 8 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

When an EMP attack plunges the nation into darkness, the days of panic have only just begun... About to leave for Army Basic Training, Peter Meier awakens to a society on the edge of collapse. But when three strangers wander onto his family's backwoods property in rural Wisconsin, a shocking turn of events plunges his world into turmoil. Meanwhile, in the nearby town of Bowman, Mayor Tom Grossman must work tirelessly to maintain a sense of calm. With no power, cars, or phones, will he be able to quell the rising tensions and keep the townsfolk composed? Or will the entire region unravel into madness in the midst of the disaster? Age of Survival is an exciting post-apocalyptic EMP survival thriller featuring regular people struggling to survive after an EMP. Perfect for fans of books by Kyla Stone, Jack Hunt, Grace Hamilton, Harley Tate, T.L. Payne, and other authors of EMP Prepper Fiction series. *** This book series contains some strong language and graphic depictions of violence. ***

A massive cyber-attack crippled half the nation's power grid. A super EMP took care of the rest. While a cyber-attack crippled half the nation's power grid, enemies of the United States launched a super EMP over the midwest sending the nation back to the stone age. For Raine Caldwell and her neighbors, it couldn't have come at a worse time. Deep into the coldest midwest winter on record, the nation is plunged into frigid darkness. With emergency services crippled by the lack of transportation and streets snarled with stalled cars, a spark ignites and the city of St. Louis is engulfed in flames.

Chaos grips the city as society spirals out of control and violence fills the streets. With her building surrounded by fire, Raine and her neighbors are forced to flee on foot onto the snow covered streets seeking safety. Seeking Safety is a gripping tale of an ordinary group of people as they fight to survive after an EMP plunges the nation into frigid darkness. Would you have what it takes to survive the cold, dark, dangerous streets and make it to safety? Seeking Safety is the first book in T. L. NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

There is no sanctuary. That was taken away in the blink of an eye. Humanity went out not with a whimper, but a bang. Jack, a sometimes humorous, sometimes philosophical ex-special operations pilot and soldier is one of the few left to struggle through the desolation left in the aftermath; seeking to survive as a new ferocious species emerges from the rubble, hungry and unrelenting. Will his special forces training be enough? Will he be able to keep his children safe and guide the few survivors through perils that now roam the world they once knew? Or will the hordes that now own the night prevail, forever removing the last of mankind from existence? Humankind was once at the top of the food chain. But that has now changed. This hard-hitting, action-packed series begins with Jack Walker being suddenly thrust into a world where the infrastructure which cherished Armani suits, night clubs, fast and expensive cars and watching the daily stock market are gone. Left in its place is the material world mankind built but a majority of the population has vanished; replaced by a new, savage, unrelenting, cunning, animalistic species which hunts and operates at night.

In an instant everything stops. No lights. No phones. No transportation. How would you get home? When coordinated EMP and Cyber attacks wipe out the nation's power grid, communications and transportation systems, ultra marathon runner, Maddie Langston is forced to run for her life. Stranded in a Chicago airport when the lights go out, Maddie is in a race against time. According to her father, she doesn't have long before the city descends into chaos. She must leave the airport before it is too late. Although she knows she must flee the Windy City, Maddie's first battle is to overcome fear of

the violence she knows is coming. She's a fighter; she just doesn't know it yet. The perilous journey out of the city becomes even more difficult when Maddie takes responsibility for an orphaned ten-year-old girl. Together, they must fight to survive as chaos fills the streets and struggle to survive in a Turbulent new world. Would you have what it takes to survive? How much could you take? Society continues to unravel. Supplies are low, and the survivors are more desperate than ever. Max is on his own, without food or water. A day's journey has turned into four days and four nights. If he can't find the gas they desperately need, what will happen to his friends back at camp? Georgia and Mandy wait for Max to return. Without food, they struggle daily. At any moment, the enemy could appear. Weakened by her injury, will Georgia be able to lead the defense of the camp? Will the others have enough strength to follow? John and Cynthia are trying to track down Max. With Dale's help, they've made it to the compound. But when they mention Max's name, tensions quickly rise. Will they be able to get out of what they've gotten themselves into? Surviving Chaos is book 4 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

In the dead of winter, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison. Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive. Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice. Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats. Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child. Edge of Collapse is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

Can ordinary people survive the apocalypse? Raine Caldwell is about to find out. The government isn't coming to rescue her. If Raine and her group are going to make it, they must save themselves. Chaos is about to erupt. During the aftermath of a massive solar flare that has plunged the country into the Dark Ages, Abram and Nick must prepare the compound against the growing bandit threat. But will earlier decisions sink their chances of survival and put those they love at risk of being annihilated? A brewing danger is closing in. As if the bandit threat wasn't bad enough, an erratic stranger is closing in on Abram's compound. But something is lurking beneath the surface of this man, who sees the collapse of society as the greatest opportunity of his life. Will the stranger swoop in at Abram and Nick's weakest moment and seize control of the compound, or will he play with his prey first? A few choices away from destruction. As they find their days numbered, Abram, Nick, and the rest of the community at the compound are faced with crucial decisions that could help them survive the chaos-or send them to their eventual demise. In this new world, choices matter more than ever and make the difference between life and death. Will they make the right choices? NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the

story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming in April 2022!

Warner Bros Lifetime Achievement Award winner, Oscar Martin – the renowned writer and artist behind Tom and Jerry comics – brings his own imaginative take on a dystopian world of anthropomorphic animals. In a future ravaged by nuclear wars, the Earth has given birth to an array of new mutated species, which have grown and repopulated the land. But this new world is far from peaceful, and life in it is often short and brutal... To make life easier for his poor family, Solo, a young rat, leaves his home to become a warrior. Contending with vicious animals and savage hunters, Solo does everything he can to survive. Warner Bros Lifetime Achievement Award winner, Oscar Martin, creates a unique dystopian world of chaos in an action-packed, heart-breaking tale of one rat's journey to understand what it means to be truly alive. *Prepper's Apocalypse - Prepper Post-Apocalyptic Survival Fiction*. EMP blasts started the apocalypse during Tom and his family's return flight to San Francisco from Hawaii. Surviving the crash only caused them to confront the chaos of the apocalypse head-on. Their fellow survivors were helpless and lacked the skills to survive. Tom, his sister, and their Grandma survive the perilous trip from San Francisco to their ranch in Southern Oregon using their prepper skills to keep them alive during the anarchy around them.

"When society begins to unravel, there's no putting it back together. Jim and the others have made it to the lake house. They have some supplies, and they're still alive. But that doesn't mean they're safe. Rationing the food is necessary, and the meager portions are beginning to take their toll. Imagining hunger and fatigue is one thing, but living it is another. Can they survive like this long term? What happens now that the hoards are fleeing the cities, looking for shelter? The lake appealed to Jim, and that means it will appeal to others. How many will invade, and how hard will they fight? Jim knows they need to strengthen their defenses, to deal with the coming onslaught, but they're getting weaker and more desperate by the day as it is. What will it take to save them?"--page 4 of cover.

After the lights went out across the nation, Elliot, Jesse, Maggie and Damon fought off the desperate as they made their way back to Lake Placid. When a string of murders occur throughout Lake Placid, Elliot must face an unknown danger. With looters and raiders going wild it's only a matter of time before they lose control. How many must die before they throw in the towel and protect their own?

A riveting and unexpected novel that questions whether a peaceful and non-violent community can survive when civilization falls apart. Again, all are asleep, but I am not. I need sleep, but though I read and I pray, I feel too awake. My mind paces the floor. There are shots now and again, bursts here and there, far away, and I cannot sleep. I think of this man in his hunger, shot like a rabbit raiding a garden. For what, Lord? For stealing corn intended for pigs and cattle, like the hungry prodigal helpless in a strange land. I can hear his voice. When a catastrophic solar storm brings about the collapse of modern civilization, an Amish community is caught up in the devastating aftermath. With their stocked larders and stores of supplies, the Amish are unaffected at first. But as the English (the Amish name for all non-Amish people) in the cities become increasingly desperate, they begin to invade nearby farms, taking whatever they want and unleashing unthinkable violence on the gentle communities. Written as the diary of an Amish farmer named Jacob who tries to protect his family and his way of life, When the English Fall examines the idea of peace in the face of deadly chaos. Should members of a nonviolent society defy their beliefs and take up arms to defend themselves? And if they do, can they survive? David Williams's debut novel is a thoroughly engrossing look into the closed world of the Amish, as well as a thought-provoking examination of how we live today and what remains if the center cannot hold.

The classic apocalyptic novel that stunned the world.
