“Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I’ve demystified these principles to make them easy to commit to and apply in your daily life. Each lesson

builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

huge problem in our society right now. We feel like the solution to whatever problem we are facing is found by adding more to our lives, not stopping things. We've been conditioned to believe if we just buy the book, join the course, take the class, buy the outfit, go on the vacation, or work harder then we'll meet the solution we seek of taming the chaos of our lives. Unfortunately, life doesn't work like this. Adding more will not create clarity. Doing more will not calm you down. Hustling will not build your business. Making yourself absolutely miserable will not make your life happier. As a "recovering perfectionist" the author, Allison Liddle, felt many of the struggles you felt. She was overwhelmed with trying to be "all the things." Then one day she decided to reset her life. This process is one she actually went through to help gain clarity, focus, and confidence. The process is simple, but impactful. And the best part...it works! If you are ready to LAUNCH to the next level of life, what you may need is to "Reset Your Life in 30 Days."

What would you be willing to give up to experience the presence of God in your life again? Many of us sign up for a physical detox program, thinking that if our bodies are healthier, then we're healthier. But a healthy body doesn't do us a lot of good if we are spiritually malnourished. Welcome to the 40-Day Sugar Fast, a fast that begins with us giving Jesus our sugar and ends with Jesus giving us more of himself--the only thing that can ever truly satisfy our soul's deep hunger. On this 40-day journey you'll learn how to stop fixating on food and other things you use to fill the voids in life and instead fix your eyes on Christ. Anyone who runs to sugar for comfort or a reward, who eats mindlessly or out of boredom, who feels physically and spiritually lethargic, or who struggles with self-control will discover here not only freedom from their cravings but an entirely new appetite for the good things God has for us.

"As a professional model, Nikki Sharp traveled constantly, barely slept, skipped meals, and relied on quick fixes to stay skinny, all of which took a toll on her physical and emotional health. Realizing she needed to make a serious change, she began to study integrative nutrition -- and learned that the key to weight loss, radiant skin, and overall well-being is not starving yourself but eating. That's right: eating! Sharp created her detox plan based on the knowledge that in the right combinations, real whole foods -- grains, vegetables, fruits, and spices -- can aid digestion, burn body fat, flush out toxins, reduce bloating, banish fatigue, and clear up acne. Unlike other cleanses, The 5-Day Real Food Detox allows you to eat five times a day -- and shed a pound a day -- with meals and snacks developed by Sharp (and backed by a nutritionist and a registered dietician). Even better, the recipes, including Love Pancakes, Spinach & Chickpea Hummus, Black Bean Burgers, Cauliflower Mash, and Taco Bowl, have been taste-tested by Sharp's many of 300,000-plus Instagram followers, who have done the plan and seen amazing results."--Amazon.com.

A New York Times, Wall Street Journal, Publishers Weekly, and USA Today bestseller "Newport is making a bid to be the Marie Kondo of technology: someone with an actual plan for helping you realize the digital pursuits that do, and don't, bring value to your life."--Ezra Klein, Vox Minimalism is the art of knowing how much is just enough. Digital

minimalism applies this idea to our personal technology. It's the key to living a focused life in an increasingly noisy world. In this timely and enlightening book, the bestselling author of *Deep Work* introduces a philosophy for technology use that has already improved countless lives. Digital minimalists are all around us. They're the calm, happy people who can hold long conversations without furtive glances at their phones. They can get lost in a good book, a woodworking project, or a leisurely morning run. They can have fun with friends and family without the obsessive urge to document the experience. They stay informed about the news of the day, but don't feel overwhelmed by it. They don't experience "fear of missing out" because they already know which activities provide them meaning and satisfaction. Now, Newport gives us a name for this quiet movement, and makes a persuasive case for its urgency in our tech-saturated world. Common sense tips, like turning off notifications, or occasional rituals like observing a digital sabbath, don't go far enough in helping us take back control of our technological lives, and attempts to unplug completely are complicated by the demands of family, friends and work. What we need instead is a thoughtful method to decide what tools to use, for what purposes, and under what conditions. Drawing on a diverse array of real-life examples, from Amish farmers to harried parents to Silicon Valley programmers, Newport identifies the common practices of digital minimalists and the ideas that underpin them. He shows how digital minimalists are rethinking their relationship to social media, rediscovering the pleasures of the offline world, and

reconnecting with their inner selves through regular periods of solitude. He then shares strategies for integrating these practices into your life, starting with a thirty-day "digital declutter" process that has already helped thousands feel less overwhelmed and more in control. Technology is intrinsically neither good nor bad. The key is using it to support your goals and values, rather than letting it use you. This book shows the way.

"diet" programs out there that promote extremely restricted eating; encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. The goal of any detox program should be to support your body in naturally cleansing itself of substances that create negative health effects—and that's exactly what The 21-Day Sugar Detox does. By focusing on quality protein, healthy fats, and good carbs, this program will help you change not only the foods you eat, but also your habits around food, and even the way your palate reacts to sweet foods. After changing your everyday eating habits, you will begin to gain a new understanding of how food works in your body—and just how much nutrition affects your entire life. There's no reason to wait! SUGAR IS TAKING OVER OUR LIVES. But why? And is it only those sweet, refined white crystals that are causing us problems, or could there be more to the story? Let's be honest: The problem isn't just sugar itself. It's the refined, nutrient-poor carbohydrates that carry tons of calories, but no real nutrition. In our world, these are the easiest foods to grab on the go, but they leave us fat, sick, tired, and downright unhappy. The effect that sugar, "hidden" carbs, and refined, processed foods have on our bodies goes far beyond our waistlines. We can't focus, we can't sleep, we have irrational mid-afternoon cravings, and we can't even make it through the day without wanting—or needing—to prop up our energy levels with caffeine or even

The obsession of a toxic relationship can have the same enticement as drugs or alcohol. The pattern echoes time and time again: a new significant other draws you into a new relationship that starts off loving and alluring only to develop into a hurtful or abusive cycle. People who have a healthy understanding of "true love" do not tolerate this kind of pain. He or she will move on in search of a healthier bond. It's an unhealthy view on love that will rationalize the toxic behavior and cling to the relationship long after it should have ended. Like any other addiction, those hooked on a toxic love have no control over excessive urges to text, call, manipulate or beg for love, attention and affection. They want help. They want to end the pain and recover, but it's just like trying to shake a drug habit. In *Addicted to Pain*, author and relationship expert Rainie Howard reveals the truths every woman needs to heal from a toxic relationship and return to a life rich with purpose and fulfillment. This all-in-one spiritual guide
