From the creators of the bestselling *The Jesus Storybook Bible* with over two million copies sold, comes *A Christmas Collection*, a beautifully illustrated picture book perfect for celebrating the miracle of Jesus' birth. Little children throughout the world wait impatiently for Christmas to arrive. As parents know, it can seem as if the days just crawl by. Now your family can learn and put to use Advent traditions from the country of Germany during the Christmas season. No doubt mothers have long been inventing ways to keep young children occupied during the Advent season—like Gerhard Lang's mother, who in the mid-1800s helped her young son count the days on a calendar of cookies. In 1908, the grownup Gerhard, a printer, created the first commercial Advent calendar, twenty-four tiny pictures in the form of a calendar, from his fond memories. *Waiting for Christmas* tells the story of the young Gerhard—a story children everywhere will recognize as their own—and teaches us that we must wait patiently as we prepare to celebrate the birth of Jesus.

winter wonderlands * fantastical figures from folklore. What a wonderful way to celebrate the holiday season-and a perfect gift for coloring fans. Suitable for children aged 4+.

How to focus on Christ during Advent Most Christians agree that Christmas is all about Jesus, yet most of us spend little time preparing our hearts to celebrate Him. Why is this? Partly because we don't know how. In *Unwrapping the Names of Jesus*, Asheritah Ciuciu leads readers through the four weeks of Advent (Hope, Preparation, Joy, and Love). Each week: Begins with an interactive family devotional that equips readers to celebrate Advent together Offers five daily reflections that focus on that week's name of Jesus Includes suggestions for fun-filled family activities or service projects This devotional can be used by readers in their own personal worship times or as a tool to engage in family worship during the busy holiday season. Either way, participants will gain a greater sense of awe and wonder at who Jesus is. By focusing on the person and character of Jesus throughout the Advent season, readers will prepare their hearts so that when they admire the live nativity, sit in the candlelight service, or wake up on Christian morning, they can join the faithful who sing from the bottom of their hearts, "O come, let us adore Him, Christ the Lord!"

"Sometimes coloring is just coloring. To put crayons to paper and create a rainbow of marks and swaths is relaxing, playful, and maybe even artistically satisfying. But sometimes coloring is more. To put colored crayons, markers, or pencils to paper is to create a pathway to the numinous. Coloring invites the body and the senses into an experience of inner stillness. While the hand moves, the mind and the body slow down. The heart and the ears open carving a space for rich silence and an opportunity for God to speak." --Sybil MacBeth, author of *Praying in Color: Drawing a New Path to God*
