Complete with over 50 spells and information on the magickal tools and traditions of witchcraft, The Book of Spells is the ultimate guide to healing, manifesting your desires, and diving confidently into the mysteries of magick. Calling upon ancient powers and the ways of the Witch, The Book of Spells contains rituals and visualizations for releasing negativity, increasing bliss, healing a broken heart, finding your Spirit guides, embarking on the adventure of astral flight, and more. With the help of timeless myths and fables, as well as author Jamie Della's personal anecdotes, each spell offers empowering insight to help you uncover your innate Divine essence. This beautifully gilded compendium includes need-to-know information on Sabbats and ancient traditions, Gods and Goddesses, and tools of the Craft such as herbs, crystals, tarot archetypes, moon phases, and runes. The Book of Spells is the perfect beginner's guide to following the Path, practicing the Craft, and incorporating magick into your daily life. Advance praise for The Book of Spells “This book opens the door to a life of magic and inspiration. The most wonderful thing about it is that Jamie actually lives by the book. She's the real deal! The Book of Spells is personal, engaging, and empowering. Her information about the Craft is heartfelt, user-friendly, and a treasure trove of witchy wisdom. You'll love this book whether you are a novice or an expert. Enjoy!”—Victoria Bearden, nationally renowned astrologer and psychic “What a sweet book this is. Spells and a lot more for people new to the Craft written by an experienced Witch who practices what she preaches.”—Barbara Ardinger, author of Goddess Meditations and Finding New Goddesses “Creative, ethical, and respectful of tradition but modern in focus, these spells are focused on self-healing, rather than forcing your will on others.”—Anna Korn, Adocentyn

Research Library “Young and old alike find a rainbow of solutions in Jamie Della’s self-empowering Book of Spells. Simultaneously bold and inviting, Della’s unswerving devotion to self-love, self-awareness, and growth shines through on every page of this gem of a soul’s companion guidebook.”—Tania Pryputniewicz, author of November Butterfly

"Witches are gathering." When most people hear the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, it's a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day witchcraft. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing "mystery cult" whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying all faiths: Why do we choose to believe in anything at all? Whether evangelical, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite

entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's *Complete Book of Witchcraft*."—Dorothy Morrison, author of *The Craft*

This guide offers a beginner's look at the history of paganism, Wicca, and witchcraft, from the Druids and Celts to the witches of today who practice an earth-based religion, cast spells, and perform natural magic. The book, written by a practicing witch, reveals details of the witches' Sabbaths, ceremonies, and altar

"A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables. Mostly a compilation of superstition and folklore, the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused"--From publisher description.

Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Nonetheless, due to the persistence of these misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms-they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! *Modern Witchcraft and Magic for Beginners* was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that combines several approaches, this book will help you navigate the various opinions, definitions, and perspectives you'll find in the wide, wide world of

the Craft. Foundations of Western Witchcraft Wicca has become the most well-known form of the Craft, but it emerged in tandem with other forms. Many of these other traditions were influenced by, and had influence on, what we now know as Wicca. A basic understanding of the wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural contexts in which contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques-visualization, invocation, and candle magic Some example workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in *Modern Witchcraft and Magic for Beginners*. After reading this book, you should have a better grounding in this fascinating field, and hopefully a clearer sense of where you'd like to go next! If you're ready to learn about Witchcraft and start practicing magic, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free gift!

Everything You Need to Know to Start Your Wiccan Journey Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magickal side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in-a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the Internet-just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of Wicca is also growing in tandem with the increasing complexities of our modern, high-pressured mainstream society. You will discover: - The origins and history of Wicca and Witchcraft - The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats - Core elements of Wiccan ritual - Principles of magic-both ancient and modern - Choosing your Wiccan path - An overview of Wiccan covens, circles, and solitary practice - Magickal tools & how to use them - Tips & guidelines for successful spellcasting - The phases of the moon & their importance - Spells for abundance,

wealth, health, love and happiness - And much more! Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book. A workbook listing angels from ancient civilizations to modern day who can give you help, knowledge and protection; and how you can call upon each one.

Wicca For Beginners is your comprehensive guide towards understanding the real basics of what the Wiccan path is about. Full of historical knowledge and important figures like Gerald Gardner, Doreen Valiente, and Aleister Crowley, Wicca For Beginners will take you onto an intellectual journey and educate you on the true basics, laws, and honor code that is barely touched on. Sure you can buy someone's book about magic, but Wicca For Beginners is a true guide that will stay with you throughout the tests of time. It stays away from typical mainstays like how to cast spells and telling you what tools you need to have and instead focuses on your need to know the real basics behind spellcasting in general, how you can use tools that are specifically important to you, and how to communicate with the deities you are connected to. While reading this book you'll be able to understand: The dark history behind paganism. Understand basic definitions like Wicca, Coven, Pagan, and Neopagan. Understand there are different styles to perform rituals and ceremonies. Understand that each coven has a different aspect of worship. Know that it's okay if you want to be a solitary witch. Read on rumors that researchers like Margaret Murray or occultists like Eliphas Levi concluded and what occurred after. Separate the Aleister Crowley the occultist from the Aleister Crowley the fictional character. Give yourself the ability to compare and contrast past eras from the founding Gardnerian era to the more modern eras today. And five basic spells to help you in your everyday life. Reveal the ancient and cultural significance behind the Pentagram. Understand who the Goddess and God really are, what they represent, and how they can help you as a beginner starting their Wiccan path.

“A step-by-step guide to Wicca as a lifestyle; practical, easy to read, and no-nonsense in tone.” —Shelley Rabinovitch, author of *The Encyclopedia of Modern Witchcraft and Neo-Paganism* The Father of American Wicca, Raymond Buckland, provides this indispensable, comprehensive handbook to the solitary practice of Wicca through every season of life.
