But this hardened, cold warrior just may find his heart melting, for the hellion brings out a passionate side he'd thought long buried. A lady who will stop at nothing to see him fail... Lady Brenna has had more than her share of hardships and when freedom looks to be on the brink of her horizon, she's not about to let some moody Highlander take it all away. She'll stop at nothing to keep her children safe-and to guard her heart-even though the warrior's heated kiss threatens to change every vow she's ever made and every belief about love she's ever known.

On New Year's Eve, she tumbles 700 years back in time--and into the bed of a darkly dangerous knight. Sir Gaston de Varennes wanted a docile bride who would fit into his plans for vengeance and justice, but a trick of time finds him married to a thoroughly modern American lady who turns his castle, his life, and his heart upside down. Will her desperate secret tear them apart after only a few bittersweet weeks of stolen passion-or will they conquer mistrust, treachery, and time itself to discover a love that spans the centuries?
