The most enjoyable way to learn about an unfamiliar culture is through its stories—especially when they're told in two languages! Korean Stories for Language Learners introduces 42 traditional Korean folktales with bilingual Korean and English versions, presented on facing pages, together with detailed notes and exercises aimed at beginning learners of the language. The book can be used as a reader in first- and second-year Korean language courses or by anyone who wishes to learn about Korean folktales and traditional Korean culture. This elegantly illustrated volume is designed to help language learners expand their vocabulary and to develop a basic familiarity with Korean culture. The stories gradually increase in length and complexity throughout the book as the reader improves their vocabulary and understanding of the language. After

the first few stories, the reader is asked to use the vocabulary in speaking and writing exercises. By reading these classic stories, they also are given a window into Korean culture and learn to appreciate the uniqueness of the country—which provides greater motivation to continue learning the difficult language. Cultural notes and discussion questions further reinforce one's understanding of the stories, and bolster one's language skills. Korean-English and English-Korean glossaries are included as well as an overview of the Korean Hangeul script. Audio recordings by native speakers help readers improve their pronunciation and inflection.

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean! How can fun things like K-Pop and K-Drama be used to help students learn Korean? This book attempts to provide an answer to that question as well as the "how to learn

File Type PDF The Kpop Dictionary Essential Korean Slang Words And Phrases Every K Pop K Drama K Movie Fan Should Know

Korean" question. Of course, there is much more to South Korea and the Korean language than the entertainment industry, but all Korean movies, TV, videos, and music can become a valuable resource to learn Korean with the right methods. If you are tired of re-reading and re-listening to the same dialogues from your Korean language textbook, why not try something new and different? This book will teach you a method that allows you to learn, practice, and never forget Korean vocabulary, phrases, and grammar points that you encounter from any source of your choice including K-Pop and K-Drama. This system will teach you how to successfully learn Korean the fun and easy way including how to speak Korean both formally and informally. The method of this book also covers smarter ways to practice listening comprehension and reading and writing the Korean language (Hangul). This is not your conventional Korean textbook that lists topics to study accompanied by new vocabulary, grammar points, and Hangul lessons. You can find hundreds of those in bookstores and across the internet. Rather than dissect and explain a large hodgepodge collection of words and lines from random K-Pop and K-Drama that you may not be interested in, this book will show you a system on how to learn from any media from South Korea. You may find this system particularly useful if you have trouble remembering any new Korean language. Use what you love about South Korea to learn Korean!

singer of one of the most influential K-pop girl groups of all time, Girls Generation. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul's largest K-pop labels, known for churning out some of the world's most popular stars. The rules are simple: Train 24/7. Be perfect. Don't date. Easy right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she's strong enough to be a winner, or if she'll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It's not just that he's charming, sexy, and ridiculously talented. He's also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea's most famous girl group, Girls Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It's time for the world to see: this is what it takes to SHINE.

words from Korean dramas, movies, and pop culture. It uniquely combines the most popular Korean slang words and trendy phrases that cannot be found in the ordinary Korean language textbook. And it will give you a full explanation of the cultural background of the word and help you to understand why it is being used like that. This book will give you a fun and easy way to learn the most popular Korean words one by one. It will also help you to know how the word is pronounced with the Romanized alphabets. Please don't forget to read and say a word from the examples. The examples are thoughtfully picked to sound just like a native and a true KPOP fan who knows what KPOP language is all about. Try out words you learned to your Korean friend or write a fan letter with them to your favorite idol star. They will be pleasantly surprised. Learning a foreign language is very rewarding, and learning a cultural background even opens your eyes and heart to a whole new experience. You will get both from this book!
