The Little Caf In Copenhagen Fall In Love And Escape The Winter Blues With This Wonderfully Heartwarming And Feelgood Novel

Sail away to beautiful Croatia for summer sun, sparkling turquoise seas and a will-they-won't-they romance you won't be able to put down!

Join the happiness revolution! The author of the New York Times bestseller *The Little Book of Hygge* offers more inspiration and suggestions for achieving greater happiness, by practicing Lykke (LOO-ka)—pursuing and finding the good that exists in the world around us every day. While the Danes are the happiest people on the planet, happiness isn't exclusively Danish; cultures around the world have their own unique approaches to leading a contented, fulfilled life. For his work at the Happiness Research Institute in Copenhagen, Meik Wiking travels the globe from Dubai to Finland, Rio de Janeiro to Bhutan, South Korea to the United States, to discover the secrets of the very happiest people. In *The Little Book of Lykke*, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table

and savoring our time) or dancing the tango like Argentinians in Buenos Aires. With his trademark warmth and wit, Meik explores the happiness gap for parents, how much money you really need to buy happiness, how we can be healthier without having to go to the gym, how we can learn to build trust and collaboration, how we can help ourselves by helping others, and why our expectations often outweigh our reality. Weaving together original research and personal anecdotes, *The Little Book of Lykke* is a global roadmap for joy that offers a new approach to achieving everyday happiness that not only improve our own lives, but help us build better communities and a better world.

"For travel blogger Fiona, Japan has always been top of her bucket list so when she wins an all-expenses paid trip, it looks like her dreams of the Far East are coming true. Until she arrives in vibrant, neon-drenched Tokyo and comes face-to-face with the man who broke her heart ten years ago, gorgeous photographer Gabe. Fiona can't help but remember the heartache of their last meeting but it's not long before the Japanese art of contentment and a special, traditional tea ceremony work their magic... Amidst the temples and clouds of soft pink cherry blossoms, Fiona and Gabe start to see life – and each other – differently." --Publisher description.

Irresistible stories of love and fidelity, mystery and unexpected lives from some of the bestselling authors writing today. Published in conjunction with Woman & Home and Breast Cancer Care, this collection of terrific short stories includes many of the top names in fiction writing today: Fanny Blake, Fern Britton, Elizabeth Buchan, Tracy Chevalier, Jenny Colgan, R J Ellory, Julia Gregson, Tessa Hadley, Maeve Haran, Veronica Henry, Victoria Hislop, Eowyn Ivey, Cathy Kelly, Erin Kelly, Deborah Lawrenson, Kathy Lette, Lesley Lokko, Jill Mansell, Val McDermid, Kate Mosse, Jojo Moyes, Adele Parks, Nicky Pellegrino, Ian Rankin, newcomer Cara Ross, Penny Vincenzi and Katherine Webb.

A charming new story from the author of *Guess How Much I Love You* offers an original--and heartening--take on childhood anxiety. Once there was a girl called Mindi who was afraid of something that no one else could see. This thing that she was afraid of, this thing that no one else could see, was a big goose. It came into her room as quietly as a thought comes into your head. . . . When a little girl named Mindi says she is being visited by a big goose--a scary creature that is visible only to her--her devoted dad and mom try everything they can think of to drive it away. But maybe some outside assistance is warranted from their wise friend Austen, a farmer who knows what is needed to help Mindi turn her mind to something new. In a sensitive exploration of childhood fears, Sam McBratney, the author of *Guess How Much I Love You*, narrates

Lucky Per, written at the turn from the nineteenth to the twentieth century (1898-1904), has never before been translated into English, although its author, Henrik Pontoppidan, won the Nobel Prize in literature in 1917 together with his Danish countryman Karl Adolph Gjellerup. Indeed, Pontoppidan's novel was singled out by writers like Thomas Mann and Georg Lucács as seminal in modern world literature. Lucky Per sweeps through every social, religious, literary, and philosophical circle of the 1890s, through the politics of city power

brokers, the engineering of new technology, the alien correctives of provincial complacency by the ecumenical culture and complex of Copenhagen's Jewish set, the victims of the Russian pogroms, and the cosmopolitan chastisement imported from the European capitals by the self-exiled Georg Brandes, Danish critic of huge influence and presence, and a character in the novel. The contrast between the Danish capital and provinces is matched by that between Copenhagen and Berlin. The Austrian Alps are host to a clash between a form of progressive post-Darwinian naturalism and conservative Christianity, whereas Italy mediates between comparative morality and the classical and contemporary worlds. Pontoppidan dramatically incorporates the perspectives of the makers of early modernism, such as Brandes, Kierkegaard, Nietzsche, Ibsen, biblical prophets, and Bohemian artists. Trolls from Scandinavian fairy tales haunt the novel's realism without ever letting them bully or appropriate either the life of the fiction or the life of the protagonist from his childhood as the son of a strict Lutheran pastor through the passionate sorrows and joys that led him to his full maturity. It is a rich and riveting work of moral, metaphysical, psychological, philosophical, and literary complexity and depth, carried by a large, varied, vivid, and vibrant cast of characters of all classes and persuasions.

For readers everywhere who are embracing the Danish art of hygge – the first warm, wise and romantic hygge novel! The perfect feel-good novel to curl up with - light some candles, wrap yourself in a blanket and relax ... Bo, 26, has always been careful, cautious. However, she's just been made redundant and her life plan is beginning to unravel. Before she starts immediately applying for other jobs in a panic, her friend Kirsten persuades her to take a holiday, to visit Kirsten's mother's house in Aalborg, North Jutland, a part of Denmark Bo is ashamed to admit she has never heard of. 'What's the weather going to be like?' she asks Kirsten hopefully, scrolling her cursor over the budget airlines webpage. 'Terrible,' Kirsten replies, 'London is positively Mediterranean by comparison, and of course it's November so it'll be dark seventeen hours a day. But no one goes to Denmark to get a tan. You need a change of scene and to blow away the cobwebs, and trust me, Skagen will do that. Besides, the summerhouse is cosy whatever the weather, and you never know who else will be around.' A few clicks later and there is no going back. And Bo's life plan is about to be entirely rewritten. Full of romance and humour, this is a book about fresh starts, friendship and the unexpected places we find happiness. 'I love getting lost in a Jules Wake book!' Debbie Johnson,

New York Times Bestseller A New York Times Best Cookbook of Fall 2018? “An indispensable manual for home cooks and pro chefs.” —Wired At Noma—four times named the world’s best restaurant—every dish includes some form of fermentation, whether it’s a bright hit of vinegar, a deeply savory miso, an electrifying drop of garum, or the sweet intensity of black garlic.

Fermentation is one of the foundations behind Noma’s extraordinary flavor profiles. Now René Redzepi, chef and co-owner of Noma, and David Zilber, the chef who runs the restaurant’s acclaimed fermentation lab, share never-before-revealed techniques to creating Noma’s extensive pantry of ferments. And they do so with a book conceived specifically to share their knowledge and techniques with home cooks. With more than 500 step-by-step photographs and illustrations, and with every recipe approachably written and meticulously tested, The Noma Guide to Fermentation takes readers far beyond the typical kimchi and sauerkraut to include koji, kombuchas, shoyus, misos, lacto-ferments, vinegars, garums, and black fruits and vegetables. And—perhaps even more important—it shows how to use these game-changing pantry ingredients in more than 100 original recipes. Fermentation is already building as the most significant new direction in food (and health). With The Noma Guide to Fermentation, it’s about to be taken to a whole new level.

Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing*, as featured in the HBO documentary *Crime of the Century*. The Sackler name adorns the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond's son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug's addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside

palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America's second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world's great fortunes. Tenor saxophonist Dexter Gordon was one of the major innovators of modern jazz. In a context of biography, history, and memoir, Maxine Gordon has completed the book that her late husband began, weaving his "solo" turns with her voice and a chorus of voices from past and present. She shows that his image of the cool jazzman fails to come to terms with the three-dimensional man full of humor and wisdom, a figure who struggled to reconcile being both a creative outsider who broke the rules and a comforting insider who was a son, father, husband, and world citizen. -- adapted from publisher info

With a new litter of Standard Poodles on the way, it's shaping up to be a vibrant July in Greenwich, Connecticut, for Melanie Travis. Too bad there's a killer in town who would love to drain the life out of her summer . . . While usually protective, Melanie feels comfortable sending her sons to the Graceland School's summer camp for two reasons: The institution is well-regarded and proprietor Emily Grace is a trusted friend. But Emily has been acting strange
