

The Maze Runner

When her boyfriend is accused of cheating on her with a girl who has gone missing and is presumed murdered, Katie resolves to uncover the truth and, in the process, learns unsettling secrets about her best friend. By the award-winning author of the *Debutante Dropout Mysteries*. Simultaneous eBook.

The world is virtual, but the danger is real in book one of the bestselling *Mortality Doctrine* series, the next phenomenon from the author of the *Maze Runner* series, James Dashner. Includes a sneak peek of *The Fever Code*, the highly-anticipated conclusion to the *Maze Runner* series—the novel that finally reveals how the maze was built! The *VirtNet* offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the *VirtNet* grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. The author who brought you the #1 New York Times bestselling *MAZE RUNNER* series and two #1 movies—*The Maze Runner* and *The Scorch Trials*—now brings you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling *MORTALITY DOCTRINE* series: “Dashner takes full advantage of the Matrix-esque potential for asking ‘what is real.’” —io9.com “Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner’s hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author.” —MTV.com “A brilliant, visceral, gamified mash-up of *The Matrix* and *Inception*, guaranteed to thrill even the non-gaming crowd.” —Christian Science Monitor

This four-book collection of the blockbuster phenomenon *The Maze Runner* series now features chapters from the highly-anticipated series conclusion, *The Fever Code*, the book that finally reveals the story of how the maze was built! When Thomas wakes up in the lift, the only thing he can remember is his name. He's surrounded by strangers—boys whose memories are also gone. Outside the towering stone walls that surround them is a limitless, ever-changing maze. It's the only way out—and no one's ever made it through alive. Then a girl arrives. The first girl ever. And the message she delivers is terrifying. Remember. Survive. Run. *The Maze Runner* and *Maze Runner: The Scorch Trials* are now major motion pictures featuring the star of MTV's *Teen Wolf*, Dylan O'Brien; Kaya Scodelario; Aml Ameen; Will Poulter; and Thomas Brodie-Sangster. Discover what led to the Maze in this prequel to the popular series. It explains just how civilization collapsed to become the violent, lawless world Thomas is thrust into.

"With exclusive bonus content"--Front cover.

After surviving horrific conditions in the Maze, Thomas is entrapped, along with nineteen other boys, in an experiment designed to observe their responses and gather data believed to be essential for the survival of the human race.

Join a tough eleven-year-old as she faces down zombie rabbits, alien mobs, and Puppet Cartels while trying to find her missing twin in Sarah Cannon's imaginative middle-grade debut, *Oddity*. Welcome to *Oddity*, New Mexico, where normal is odd and odd is normal. Ada Roundtree is no stranger to dodging carnivorous dumpsters, distracting zombie rabbits with marshmallows, and instigating games of alien punkball. But things haven't been the same since her twin sister, Pearl, won the town's yearly Sweepstakes and disappeared . . . Along with her best friend, Raymond, and new-kid-from-Chicago Cayden (whose inability to accept being locked in the gym with live leopards is honestly quite laughable), Ada leads a self-given quest to discover *Oddity*'s secrets, even evading the invisible Blurmonster terrorizing the outskirts of town. But one of their missions goes sideways, revealing something hinky with the Sweepstakes . . . and Ada can't let it go. Because, if the Sweepstakes is bad, then what happened to Pearl?

A must-have gift for every collection—from the die-hard Maze Runner fan to the YA book lover just coming to the series to the binge reader who's catching up before *The Death Cure* movie hits theaters in 2018! Sixteen-year-old Thomas wakes up with no memory in the middle of a maze and realizes he must work with the community in which he finds himself if he is to escape.

The three books in the pulse-pounding Maze Runner series! When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. But the maze is just the beginning ...

Escaping the Maze was only the beginning. The world thought it had seen the worst after the Sun Flares struck the Earth's surface, and millions of people were killed. But then an unstoppable illness ravaged the bodies and minds of the remaining survivors. Simply known as the Flare, the disease seemed unstoppable until a cure was discovered, but that relief came at a human cost. Now it's up to Thomas, Teresa and the others, who will discover that while they may have escaped the Maze, they've entered into an experiment more terrifying than anything they could imagine. Explore how the terrifying W.C.K.D. came to be, and how the very first Maze was designed. Discover what it takes to survive in a post-Flare world, against the violent Cranks that have begun to take over humanity, only to learn that the Glade may not be the only Maze W.C.K.D. was running. With over 6.5 million books in print, and an international hit film series, it's plain to see fans lost themselves in James Dashner's bestselling series. Featuring an introduction from Dashner himself, this collection of all new short stories reveals the hidden histories of your favorite Gladers, including Aris, Ava Paige, and Mary Cooper before The Scorch Trials hits theaters on September 18.

Connecting deeply with our kids can be difficult in our busy, technology-driven lives. Reading aloud offers us a chance to be fully present with our children. It also increases our kids' academic success, inspires compassion, and fortifies them with the inner strength they need to face life's challenges. As Sarah Mackenzie has found with her own six children, reading aloud long after kids are able to read to themselves can deepen relationships in a powerful way. Founder

of the immensely popular Read-Aloud Revival podcast, Sarah knows first-hand how reading can change a child's life. In *The Read-Aloud Family*, she offers the inspiration and age-appropriate book lists you need to start a read-aloud movement in your own home. From a toddler's wonder to a teenager's resistance, Sarah details practical strategies to make reading aloud a meaningful family ritual. Reading aloud not only has the power to change a family—it has the power to change the world.

The Maze Runner Chicken House

Newt has been to hell and back with his friends. The Glade. The Maze. The Scorch. The inner halls of WICKED. But now he has a burden that can't be shared with Thomas and the others—the Flare. And Newt can't bear the thought of his friends watching him descend into madness as he succumbs to the virus. Leaving only a note, Newt departs the Berg before the Gladers return from their mission into Denver, Colorado. From there, he experiences the gritty nightmare of life on the streets, running from the infected and those hunting them, until he ends up in the Crank Palace, the last dumping ground of those without hope. Although Newt thought he was running away from his friends to save them from himself, along the way he meets a young mother named Keisha and her son, Dante, who end up saving Newt in a way he could never have imagined. Taking place during the latter events of *The Death Cure*, Crank Palace tells the story of Newt like never before, from inside his own mind, as he searches for meaning in a life gone horribly wrong. He will try to fulfill a new-found destiny before his path leads to its inevitable conclusion—and one last meeting with his best friend.

Thirteen-year-old Atticus "Tick" Higginbottom begins receiving mysterious letters from around the world signed only "M.G.," and the clues contained therein lead him on a journey to the perilous 13th Reality and a confrontation with evil Mistress Jane.

When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there - or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything - even the Grievers, half-machine, half-animal horror that patrol its corridors, to try and find out.

Traces the fateful period after the Earth is decimated by catastrophic solar flares and reveals the stories behind the formation of WICKED, the construction of the Glade, and Thomas' entry into the Maze.

From James Dashner, author of the #1 New York Times bestselling Maze Runner series, comes the paperback of *The Rule of Thoughts*, the second book in the Mortality Doctrine series and the exciting companion to *The Eye of Minds* and *The Game of Lives*. Look for *The Maze Runner* movie in stores now! And get ready for the movie adaptation of book two in the bestselling series, *The Scorch Trials*, which will hit theaters on September 18, 2015! Michael completed the Path, and the truth he discovered about Kaine is more complex—and more terrifying—than anyone at VirtNet Security could have anticipated. Kaine is a Tangent, a computer program that has become sentient. And Michael's completing the Path was the first stage in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring Tangent minds. Any gamer who sinks into the VirtNet risks coming out with a Tangent intelligence in control of their body. The VNS would rather pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun. And if they don't stop Kaine soon, it will be game over for humanity.
