One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Pigman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?

"Actor-author Ustinov's fable about God and Satan on an inspection tour of planet Earth is offbeat, witty, touching, profound and frequently hilarious".-- Publishers Weekly. In their whirlwind tour of the United States, Russia, Israel, China, and India, the Old Man and Mr. Smith (alias God and Satan) spend most of their time extricating themselves from one incredible situation after another. A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post

Two tales record the beautiful and tender relationship between a boy and his remarkable grandfather and how the memories of his grandfather stir a young man as he roams the wilderness

"In 1963, thirteen-year-old Arthur is sentenced to community service helping the neighborhood Junk Man after he throws a brick at the old man's head in a moment of rage, but the junk he collects might be more important than he suspects. Inspired by the work of American folk artist James Hampton"--

Now a major motion picture starring Robert Redford and Sissy Spacek, *The Old Man and the Gun* is here joined by two other riveting true-crime tales. "The Old Man and the Gun" is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. "True Crime" follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And "The Chameleon" recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been

called a "worthy heir to Truman Capote" and "simply the best narrative nonfiction writer working today," as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world.

These are the Faroe Islands as they were some fifty years ago: sea-washed and remote, with one generation still tied to the sea for sustenance, and a younger generation turning towards commerce and clerical work in the towns. At the post-hunt whale-meat auction, the normally cautious Ketil enthusiastically bids for more meat than he can afford. Thus in his seventieth year, Ketil and his wife, along with their youngest son, struggle to repay their debt. They scavenge for driftwood and stranded seals, and knit up a storm of jumpers to sell in town. A touching novel that deftly captures a vanishing way of life. 'The Faroese voted this their book of the 20th century; by any nation's standards it's a classic.' Financial Times

"The Terrible Old Man" is a short story by H. P. Lovecraft, written on January 28, 1920, and first published in the *Tryout*, an amateur press publication, in July 1921. It's notable as the first story to make use of Lovecraft's imaginary New England setting, introducing the fictional town of Kingsport. The Terrible Old Man is a strange elderly man "so old that no one can remember when

he was young, and so taciturn that few know his real name". He lives alone in an ancient house on Water Street in the town of Kingsport. The Terrible Old Man reappears in the story "The Strange High House in the Mist" in a more benevolent role. From the New York Times—bestselling author of *Poison Flower*: a retired intelligence officer is caught in "[a] harrowing hunt-and-hide adventure" (The New York Times). To all appearances, Dan Chase is a harmless retiree in Vermont with two big mutts and a grown daughter he keeps in touch with by phone. But most sixty-year-old widowers don't have multiple driver's licenses, savings stockpiled in banks across the country, or two Beretta Nanos stashed in the spare bedroom closet. Most have not spent decades on the run. Thirty-five years ago, as a young army intelligence hotshot, Chase was sent to Libya to covertly assist a rebel army. When the plan turned sour, Chase acted according to his conscience—and triggered consequences he never could have anticipated. To this day, someone still wants him dead. And just when he thought he was finally safe, Chase is confronted with the history he spent much of his life trying to escape. "Perry drives deep into Jack Reacher territory in this stand-alone [novel] . . . Swift, unsentimental, and deeply satisfying. Liam Neeson would be perfect in the title role." —Kirkus Reviews

From a National Book Critics Circle Award winner, a brilliantly conceived and illuminating reconsideration of a key period in the life of Ernest Hemingway that will forever change the way he is perceived and understood. Focusing on the years 1934 to 1961—from Hemingway's pinnacle as the reigning monarch of American letters until his suicide—Paul Hendrickson traces the writer's exultations and despair around the one constant in his life during this time: his beloved boat, *Pilar*. We follow him from Key West to Paris, to New York, Africa, Cuba, and finally Idaho, as he wrestles with his best angels and worst demons. Whenever he could, he returned to his beloved fishing cruiser, to exult in the sea, to fight the biggest fish he could find, to drink, to entertain celebrities and friends and seduce women, to be with his children. But as he began to succumb to the diseases of fame, we see that *Pilar* was also where he cursed his critics, saw marriages and friendships dissolve, and tried, in vain, to escape his increasingly diminished capacities. Generally thought of as a great writer and an unappealing human being, Hemingway emerges here in a far more benevolent light. Drawing on previously unpublished material, including interviews with Hemingway's sons, Hendrickson shows that for all the writer's boorishness, depression, and alcoholism, and despite his choleric anger, he was capable of remarkable generosity—to struggling writers, to lost souls, to the dying son of a friend. We see most poignantly his relationship with his youngest son, Gigi, a doctor who lived his adult life mostly as a cross-dresser, and died squalidly and alone in a Miami women's jail.

He was the son Hemingway forsook the least, yet the one who disappointed him the most, as Gigi acted out for nearly his whole life so many of the tortured, ambiguous tensions his father felt. Hendrickson's bold and beautiful book strikingly makes the case that both men were braver than we know, struggling all their lives against the complicated, powerful emotions swirling around them. As Hendrickson writes, "Amid so much ruin, still the beauty." Hemingway's *Boat* is both stunningly original and deeply gripping, an invaluable contribution to our understanding of this great American writer, published fifty years after his death.

From the late and great Peter Ustinov comes a story full of wit, satire and insight. An increasingly decrepit God and a merely ill-tempered Satan are reconciled and attempt a mission to Earth, where their misadventures point up the comedy and tragedy of modern life, as they travel to a variety of countries in the guise of the Old Man (God) and Mr. Smith (Satan), with the FBI and Interpol in hot pursuit.

The story of an old Cuban fisherman, down on his luck, and his supreme ordeal, a relentless, agonizing battle with a giant marlin far out in the Gulf Stream.

Set in the Gulf Stream off the coast of Havana, Hemingway's magnificent fable is the story of an old man, a young boy and a giant fish. In a perfectly crafted story, which won for Hemingway the Nobel Prize for Literature, is a unique and timeless vision of the beauty and grief of man's challenge to the elements in which he lives.

A fascinating account of how the Mississippi River shaped America In *Old Man River*, Paul Schneider tells the story of the river at the center of America's rich history—the Mississippi. Some fifteen thousand years ago, the majestic river provided Paleolithic humans with the routes by which early man began to explore the continent's interior. Since then, the river has been the site of historical significance, from the arrival of Spanish and French explorers in the 16th century to the Civil War. George Washington fought his first battle near the river, and Ulysses S. Grant and William T. Sherman both came to President Lincoln's attention after their spectacular victories on the lower Mississippi. In the 19th century, home-grown folk heroes such as Daniel Boone and the half-alligator, half-horse, Mike Fink, were creatures of the river. Mark Twain

and Herman Melville led their characters down its stream in *The Adventures of Huckleberry Finn* and *The Confidence-Man*. A conduit of real-life American prowess, the Mississippi is also a river of stories and myth. Schneider traces the history of the Mississippi from its origins in the deep geologic past to the present. Though the busiest waterway on the planet today, the Mississippi remains a paradox—a devastated product of American ingenuity, and a magnificent natural wonder.

"This is a novel in the guise of the tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner's Dilsey in *The Sound And The Fury*." Miss Jane Pittman, like Dilsey, has 'endured,' has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works *The Odyssey* for the way his heroine's travels manage to summarize the American history of her race, and *Huckleberry Finn* for the clarity of her voice, for her rare capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, *Newsweek*. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner's *Light In August* than Miss Jane Pittman." -- Josh Greenfeld, *Life*

A compilation of Charles Bukowski's underground articles from his column "Notes of a Dirty Old Man" appears here in book form. Bukowski's reasoning for self-describing himself as a 'dirty old man' rings true in this book. "People come to my door—too many of them really—and knock to tell me Notes of a Dirty Old Man turns them on. A bum off the road brings in a gypsy and his wife and we talk . . . drink half the night. A long distance operator from Newburgh, N.Y. sends me money. She wants me to give up drinking beer and to eat well. I hear from a madman who calls himself 'King Arthur' and lives on Vine Street in Hollywood and wants to help me write my column. A doctor comes to my door: 'I read your column and think I can help you. I used to be a psychiatrist.' I send him away . . ." Bukowski writes like a latter-day Celine, a wise fool talking straight from the gut about the futility and beauty of life . . ." —Publishers Weekly "These disjointed stories gives us a glimpse into the brilliant and highly disturbed mind of a man who will drink anything, hump anything and say anything without the slightest tinge of embarrassment, shame or remorse. It's actually pretty hard not to like the guy after reading a few of these semi-ranting short stories." —Greg
