

## The Sinatra Club My Life Inside The New York Mafia

Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

"Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored." — New York Times From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's & the Papa's, Hollywood Eden captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 — a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys — who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, Hollywood Eden tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun.

"Millions of television and movie viewers have shown that Americans continue to be fascinated by the remarkable—and often sordid—world of the Mafia. This book takes you beyond fiction and tabloid accounts and relates the true-life accounts of all the major players in the American Mafia. From Al Capone to John Gotti, you will come away with a better understanding of America's most notorious crime families. This book features colorful information on: The Sicilian Mafia The First Family of the American Mafia The real Untouchables The mob and politicians The five New York families Packed full of up-to-date gangster information, this guide will satisfy even the most ardent true-crime enthusiasts."

Frank Sinatra: An Extraordinary Life is a definitive account of Frank Sinatra's life and career. With unique material and exclusive interviews with fellow musicians, promoters and friends, the acclaimed author Spencer Leigh has written a compelling biography of one of the world's biggest stars. With remarkable stories about Sinatra on every page, and an exceptional cast of characters, readers will wonder how Sinatra ever found time to make records. If this book were a work of fiction, most people would think it far-fetched.

Donnie Brasco takes on both the Russian and Italian mobs. But this time, it's not his life on the line--it's his daughter's life.

Former rival and associate of James "Whitey" Bulger tells all. After returning from Vietnam where he served as a combat Marine, Pat Nee fought a gang war against Whitey Bulger. When members of Nee's Mullen gang killed the leader of Bulger's Killeen faction, Nee arranged for the dispute to be mediated by Howie Winter and Patriarca crime family captain Joseph Russo. The two gangs joined forces, with Winter as overall boss. When Winter was convicted of fixing horse races in 1979, Bulger became leader, and Nee responded by concentrating his energy on raising money and smuggling guns to the Provisional IRA. Disgusted by Bulger's brutality, and increasingly focused on the Irish cause, Nee distanced himself from his former ally. Ultimately it was revealed that, for years, Bulger had served as an FBI informant. A Criminal and an Irishman is the story of Pat Nee's life as an Irish immigrant and Southie son, a Marine, a convicted IRA gun smuggler, and a former violent rival and then associate of James "Whitey" Bulger. His narrative transports the reader into the criminal underworld, inside planning and preparation for an armored car heist, inside gang wars and revenge killings. Nee details his evolution from tough street kid to armed robber to dangerous potential killer, and discloses for the first time how he used his underworld connections and know-how as a secret, Boston-based operative for the Irish Republican Army. For years Pat smuggled weapons and money from the United States to Ireland – in the bottoms of coffins, behind false panels of vans – leading up to a transatlantic shipment of seven and a half tons of munitions aboard the fishing trawler Valhalla. No other Southie underworld figure can match Pat's reputation for resolve and authenticity. From the Trade Paperback edition.

The perfect gift for any Beatles fan, In Their Lives is an anthology of essays from a chorus of twenty-nine luminaries singing the praises of their favorite Beatles songs. The Beatles' influence—on their contemporaries, on our cultural consciousness, and on the music industry ever after—is difficult to overstate. We all have a favorite song from the band that made us want to fall in love, tune in, and follow our dreams. Arranged chronologically by the date of the song's release, these essays highlight both the Beatles' evolution as well as the span of generations their music affected. Whether they are Beatlemaniacs who grew up listening to the iconic albums on vinyl or new fans who stream their favorite songs on their phones, all of the contributors explore that poignant intersection between Beatles history and personal history. With contributions from twenty-nine authors and musicians—Roz Chast on "She Loves You," Jane Smiley on "I Want to Hold Your Hand," Rosanne Cash on "No Reply," Gerald Early on "I'm a Loser," Rick Moody on "The End," Maria Popova on "Yellow Submarine," David Duchovny on "Dear Prudence," Chuck Klosterman on "Helter Skelter," David Hajdu on "You Know My Name (Look Up the Number)," and more—the breadth of the band's

impact is clear. From musings on young love and family strife to explorations of racial boundaries and identity, these essays pay tribute to a band that ran the gamut of human experience in a way no musical group has done before or since. Timed for the fiftieth anniversary of the release of Sgt. Pepper's Lonely Hearts Club Band, this anthology captures the full spectrum of reasons fans still love the Fab Four after all these years. "In Their Lives is full of pleasant surprises."—New York Times

An elegant, witty, frank, touching, and deeply personal account of the loves both great and fleeting in the life of one of America's most celebrated and fabled women. Born to great wealth yet kept a virtual prisoner by the custody battle that raged between her proper aunt and her self-absorbed, beautiful mother, Gloria Vanderbilt grew up in a special world. Stunningly beautiful herself, yet insecure and with a touch of wildness, she set out at a very early age to find romance. And find it she did. There were love affairs with Howard Hughes, Bill Paley, and Frank Sinatra, to name a few, and one-night stands, which she writes about with delicacy and humor, including one with the young Marlon Brando. There were marriages to men as diverse as Pat De Cicco, who abused her; the legendary conductor Leopold Stokowski, who kept his innermost secrets from her; film director Sidney Lumet; and finally writer Wyatt Cooper, the love of her life. Now, in an irresistible memoir that is at once ruthlessly forthright, supremely stylish, full of fascinating details, and deeply touching, Gloria Vanderbilt writes at last about the subject on which she has hitherto been silent: the men in her life, why she loved them, and what each affair or marriage meant to her. This is the candid and captivating account of a life that has kept gossip writers speculating for years, as well as Gloria's own intimate description of growing up, living, marrying, and loving in the glare of the limelight and becoming, despite a family as famous and wealthy as America has ever produced, not only her own person but an artist, a designer, a businesswoman, and a writer of rare distinction.

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from The Godfather. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in The Godfather: Parts I and II, Seabiscuit, Any Given Sunday and Rush Hour 2, among many other films. Hollywood Godfather is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on

the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

The border between the United States and Mexico is a no-man's land. Drugs, guns, and human beings are the cargo of choice in a multi-billion dollar illegal empire dominated by powerful cartels, murderous street gangs, and corrupt government officials. Against them stand the Special Agents of the United States Customs Service—men and women who fight to uphold the law and protect the U.S. on both sides of the border. Terry Kirkpatrick worked one of the toughest jobs in America: a U.S. Customs agent on the border between Arizona and Mexico. He's seen it all and done more for over twenty years in a job that many officers quit before they make it six months. These are the gritty and graphic true stories of Terry and his fellow "Border Rats" as they patrol America's modern badlands, where bullets are currency and blood is taken as payment. From the inhuman conditions people suffer under to get onto American soil, to working with blatantly crooked military leaders, to some of the most insane and unbelievable situations ever survived, readers will experience the chaos that has engulfed the U.S. border in the words of a man who has been there. *60 Miles of Border* sheds an unsparing light into the life of customs agents, their dealings on the border, the effect on their daily lives—and an unsparing look at one of the most hotly debated and controversial topics in modern America.

"The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."—Mike McAlary, columnist, *New York Post* They were the DeMeo gang—the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following cold-blooded plans and wild whims, from the mean streets of New York to the Florida Gold Coast, and from coast to coast. Now complete with personal revelations of one of the key players, this is the savage story that leaves no corpse unturned in its terrifying telling. **INCLUDES PHOTOGRAPHS**

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an

investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

In this unique homage to an American icon, journalist and award-winning author Pete Hamill evokes the essence of Sinatra--examining his art and his legend from the inside, as only a friend of many years could do. Shaped by Prohibition, the Depression, and war, Francis Albert Sinatra became the troubadour of urban loneliness. With his songs, he enabled millions of others to tell their own stories, providing an entire generation with a sense of tradition and pride belonging distinctly to them.

At 95, the legendary Mel Brooks continues to set the standard for comedy across television, film, and the stage. Now, for the first time, this EGOT (Emmy, Grammy, Oscar, Tony) winner shares his story in his own words. "Laugh-out-loud hilarious and always fascinating, from the great Mel Brooks. What else do you expect from the man who knew Jesus and dated Joan of Arc?"--Billy Crystal For anyone who loves American comedy, the long wait is over. Here are the never-before-told, behind-the-scenes anecdotes and remembrances from a master storyteller, filmmaker, and creator of all things funny. All About Me! charts Mel Brooks's meteoric rise from a Depression-era kid in Brooklyn to the recipient of the National Medal of Arts. Whether serving in the United States Army in World War II, or during his burgeoning career as a teenage comedian in the Catskills, Mel was always mining his experiences for material, always looking for the perfect joke. His iconic career began with Sid Caesar's Your Show of Shows, where he was part of the greatest writers' room in history, which included Carl Reiner, Neil Simon, and Larry Gelbart. After co-creating both the mega-hit 2000 Year Old Man comedy albums and the classic television series Get Smart, Brooks's stellar film career took off. He would go on to write, direct, and star in The Producers, The Twelve Chairs, Blazing Saddles, Young Frankenstein, Silent Movie, High Anxiety, and Spaceballs, as well as produce groundbreaking and eclectic films, including The Elephant Man, The Fly, and My Favorite Year. Brooks then went on to conquer Broadway with his record-breaking, Tony-winning musical, The Producers. All About Me! offers fans insight into the inspiration behind the ideas for his outstanding collection of boundary-breaking work, and offers details about the many close friendships and collaborations Brooks had, including those with Sid Caesar, Carl Reiner, Gene Wilder, Madeleine Kahn, Alfred Hitchcock, and the great love of his life, Anne Bancroft. Filled with tales of struggle, achievement, and camaraderie (and dozens of photographs), readers will gain a more personal and deeper understanding of the incredible body of work behind one of the most accomplished and beloved entertainers in history.

Presents a behind-the-scenes examination of the life and career of the legendary performer that offers insight into his prolific accomplishments, multidimensional character, and complex relationships.

An intimate, revealing portrait of Frank Sinatra—from the man closest to the famous singer during the last decade of his life. More than a hundred books have

been written about legendary crooner and actor Frank Sinatra. Every detail of his life seems to captivate: his career, his romantic relationships, his personality, his businesses, his style. But a hard-to-pin-down quality has always clung to him—a certain elusiveness that emerges again and again in retrospective depictions. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer to the singer than Oppedisano, who kept his own rooms at the Sinatra residences for many years, often brokered difficult conversations between family members, and held the superstar entertainer's hand when he drew his last breath. Featuring never-before-seen photos and offering startlingly fresh anecdotes and new revelations that center on some of the most famous people of the past fifty years—including Jackie Kennedy, Marilyn Monroe, Sam Giancana, Madonna, and Bono—Sinatra and Me pulls back the curtain to reveal a man whom history has, in many ways, gotten wrong.

A young Congressman stumbles on the powerful political underworld of 1950's D.C. in this "potent thriller" (David Baldacci) and New York Times bestseller from CNN correspondent Jake Tapper. Charlie Marder is an unlikely Congressman. Thrust into office by his family ties after his predecessor died mysteriously, Charlie is struggling to navigate the dangerous waters of 1950s Washington, DC, alongside his young wife Margaret, a zoologist with ambitions of her own. Amid the swirl of glamorous and powerful political leaders and deal makers, a mysterious fatal car accident thrusts Charlie and Margaret into an underworld of backroom deals, secret societies, and a plot that could change the course of history. When Charlie discovers a conspiracy that reaches the highest levels of governance, he has to fight not only for his principles and his newfound political career...but for his life.

This is the book Frank Sinatra failed to stop, the unauthorized biography of one of the most elusive public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, personal friends). Fully documented, highly detailed and filled with revealing anecdotes, here is the penetrating story of the explosively controversial and undeniably multi-talented legend who ruled the entertainment industry for more than fifty years. From the

Paperback edition.

INSTANT NEW YORK TIMES BESTSELLER "Fast and thrilling . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love." —The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover--the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. John Gotti is terminally ill; when he passes on to that great Mafia in the sky, co-author Capeci will be in great demand for interviews and will the plug the book. As he battles terminal cancer in a federal prison in Illinois, John Gotti, still the acting head of the Gambino Mafia family, is constantly in the news. Once Mr. Gotti ascends to Mafia heaven, he will be worldwide news-and Alpha will have the most up-to-date and comprehensive book on the subject.

Frank Sinatra seemed to have it all: genius, wealth, the love of beautiful women, glamorous friends from Las Vegas to the White House. But in this startling and remarkably outspoken memoir, his youngest daughter reveals to us an acutely restless, lonely and conflicted man. Through his marriages and front-page romances and the melancholy gaps between, Frank Sinatra searched for a contentment that eluded him. For the first time Tina writes candidly about the wedge his manipulative fourth wife, Barbara Marx, drove between father and daughter. MY FATHER'S DAUGHTER, with its unflinching account of Sinatra's flaws and foibles, will shock many of his fans. At the same time, it is a deeply affectionate portrait written with love and warmth, a celebration of a daughter's

fond esteem for her father and a respect for his great legacy. The world remembers Frank Sinatra as one of the giants of the show business. In this book from someone inside the legend, Tina Sinatra remembers him as something more: a father, and a man.

Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller *The Hellfire Club*--an "excellent" cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.

Surveys the career, hit records, films, and personal life of the popular singer and actor. Packed with revelations, this is the first complete account of a career built on raw talent, sheer willpower--and criminal connections. Anthony Summers--bestselling author of *Goddess: The Secret Lives of Marilyn Monroe*--and Robbyn Swan unveil stunning new information about Sinatra's links to the Mafia, his crowded love life and his tangled relationships with U.S. presidents. Exclusive breakthroughs include the discovery of how the Mafia connection began--in a remote Sicilian village--and moving interviews with his lovers. Never-before-published conversations with Ava Gardner get to the core of the tragic passion that dominated his life, came close to destroying him, and made his best work heartbreakingly personal. Sinatra delivers the full life story of a complex, flawed genius.

"Mr. S: My Life with Frank Sinatra, by former valet-aide George Jacobs with an oh-so-able assist by William Stadiem, has at least five quotable and shocking remarks about the famous on every page. The fifteen years Jacobs toiled for Frank produces a classic of its genre -- a gold-star gossip-lover's dream.... "The rest is showbiz history as it was, and only Ava Gardner, Humphrey Bogart, and Betty Bacall are spared. Marilyn Monroe, Judy Garland, Juliet Prowse, Noel Coward, Cole Porter, Mia Farrow, Elvis Presley, Swifty Lazar, Dean Martin, Peggy Lee, Sammy Davis Jr., Marlene Dietrich, Greta Garbo, Jimmy van Heusen, Edie Goetz, Peter Lawford, and all of the Kennedys come in for heaping portions of 'deep dish,' served hot. Sordid, trashy, funny, and so rat-a-tat with its smart inside info and hip instant analysis that some of it seems too good to be true....

An insider's account of the downfall of the New York Mob profiles organized crime at the height of its influence while recounting the author's participation in several lucrative heists, relating his decision to become a federal informant and the ways in which drug, greed and breakdowns in family values were ultimately responsible for the Mob's demise. Reprint.

For the first time, ex-convict John Lee Brook subjects the Aryan Brotherhood to a devastating exposé, revealing how the notorious white supremacist prison gang has become perhaps the most powerful criminal organization in America, an achievement much more remarkable considering that the majority of its members remain behind bars, and its infamous Commission—the folkloric threesome, Thomas ‘Terrible Tom’ Silverstein, Tyler ‘the Hulk’ Bingham and Barry ‘the Baron’ Mills—are kept in maximum-security solitary confinement, as the US government makes an open effort to subdue the organization by any means necessary. Despite these efforts, the Aryan Brotherhood continues to thrive, and *Blood In, Blood Out* demonstrates how a combination of Machiavelli, Nietzsche, meditation, secret codes, brutal violence and sheer will enable its buried puppet masters to continue to tug at the strings of an organization at the forefront of the black market trade in drugs, arms and money laundering. In *Blood In, Blood Out*, John Lee Brook provides both an extensive overview of the Aryan Brotherhood and a thrilling look at its untold recent history.

NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE’S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper’s Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn’t have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria’s growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women’s Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for *My Life on the Road* “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers’ stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [*My Life on the Road*] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of *My Life* is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and

standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights."—The New York Times "Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be."—The Boston Globe They weren't the original bad boys of stage and screen, but they were the most famous: Frank Sinatra, Dean Martin, Sammy Davis Jr., Joey Bishop, Peter Lawford and so many hangers-on and wannabes, male and female. Revisit the '60s in this reissue of a classic LIFE special edition, the Rat Pack is in town. Among the highlights: A new introduction, commemorating what would have been Dean Martin's 100th birthday Inside the friendship between Sinatra and John F. Kennedy Jr. The birth of Vegas and how Sin City became the sensation it is today Rare and intimate photos from the great LIFE magazine photographer John Dominis

E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The widow of the Hollywood golden-era legend describes their courtship and more than two-decade marriage, offering insight into the highs and lows of their relationship as well as the intricacies of Sinatra's character, in a tribute complemented by family photographs. 125,000 first printing.

A candid and eye-opening inside look at the final decades of Sinatra's life told by his longtime manager and friend, Eliot Weisman. By the time Weisman met Sinatra in 1976, he was already the Voice, a man who held sway over popular music and pop culture for forty years, who had risen to the greatest heights of fame and plumbed the depths of failure, all the while surviving with the trademark swagger that women pined for and men wanted to emulate. Passionate and generous on his best days, sullen and unpredictable on his worst, Sinatra invited Weisman into his inner circle, an honor that the budding celebrity manager never took for granted. Even when he was caught up in a legal net designed to snare Sinatra, Weisman went to prison rather than being coerced into telling prosecutors what they wanted to hear. With Weisman's help, Sinatra orchestrated in his final decades some of the most memorable moments of his career. There was the Duets album, which was Sinatra's top seller, the massive

tours, such as Together Again, which featured a short-lived reunion of the Rat Pack--until Dean Martin, having little interest in reliving the glory days, couldn't handle it anymore--and the Ultimate Event Tour, which brought Liza Minelli and Sammy Davis Jr. on board and refreshed the much-needed lining of both their pocketbooks. Weisman also worked with many other acts, including Steve Lawrence and Eydie Gorme, and an ungrateful Don Rickles, whom Weisman helped get out from under the mob's thumb. Over their years together, Weisman became a confidant to the man who trusted few, and he came to know Sinatra's world intimately: his wife, Barbara, who socialized with princesses and presidents and tried to close Sinatra off from his rough and tough friends such as Jilly Rizzo; Nancy Jr., who was closest to her dad; Tina, who aggressively battled for her and her siblings' rights to the Sinatra legacy and was most like her father; and Frank Jr., the child with the most fraught relationship with the legendary entertainer. Ultimately Weisman, who had become the executor of Sinatra's estate, was left alone to navigate the infighting and hatred between those born to the name and the wife who acquired it, when a mystery woman showed up and threatened to throw the family's future into jeopardy. Laden with surprising, moving, and revealing stories, *The Way It Was* also shows a side of Sinatra few knew. As a lion in winter, he was struggling with the challenges that come with old age, as well as memory loss, depression, and antidepressants. Weisman was by his side through it all, witness to a man who had towering confidence, staggering fearlessness, and a rarely seen vulnerability that became more apparent as his final days approached.

A behind-the-scenes look into the life and groundbreaking entertainment career of Tom Dreesen. "Excellent material, superb delivery, impeccable timing...[he] is the quintessential comedian."—Larry Wilde, author of *The Great Comedians From shining shoes in dark saloons on the south side of Chicago to traveling the country as the opening act for Frank Sinatra, this is the story of Tom Dreesen's unlikely journey to a fifty-plus year career as a pioneer of stand-up comedy and a legend of the entertainment industry.*

**#1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success:** The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when

Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including:

- **Optimism.** Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming.
- **Courage.** Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity.
- **Decisiveness.** All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale.
- **Fairness.** Treat people decently, with empathy, and be accessible to them.

This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

A New York Times Bestseller *Frank Sinatra* desperately wanted to be part of John F. Kennedy, Jr.'s gang. He had his own famed "Rat Pack," made up of hard drinking, womanizing individuals like himself—guys like Dean Martin, Sammy Davis, Jr., and Peter Lawford—but the guy "Ol' Blue Eyes" really wanted to hang with was Lawford's brother-in-law, the real chairman of the board, John F. Kennedy. In *Sinatra and the Jack Pack*, Michael Sheridan delves deep into the acclaimed singer's relationship with the former president. He shares how Sinatra emerged from a working class Italian family and carved out a unique place for himself in American culture, and how Kennedy, also of immigrant stock, came from a privileged background of which the young Frank could only have dreamed. By the time the men met in the 1950s, both were thriving—and both liked the good life. They bonded over their mutual ability to attract beautiful women, male admirers, and adoring acolytes. They also shared a scandalous secret: each had dubious relationships with the mafia. It had promoted Frank's career and helped Kennedy buy votes. FBI Director J. Edgar Hoover had, over two decades, compiled detailed and damning dossiers on their activities. From all accounts the friendship thrived. Then, suddenly, in March 1962, Frank was abruptly ejected from JFK's gang. This unique volume tells why. It will release shortly after a television documentary inspired by the book airs, is filled with a beloved cast of characters, and is the compelling, untold story of a tumultuous relationship between two American icons. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the

American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Featuring 100 photographs of Frank Sinatra working with orchestras and arrangers, listening to playbacks, and, of course, singing, this book tells the whole story of how he created the Sinatra sound and translated the most intense personal emotions into richly worked-out songs of unrivalled expressiveness. One of the thrills of listening to Sinatra is wondering how he did it—and this book explains it all, bringing the dedicated fan and the casual music lover alike into the recording studio to witness the fascinating working methods he introduced and mastered in his quest for recorded perfection. Revealed is how, in addition to introducing and perfecting a unique vocal style, Sinatra was also his own in-studio producer—personally supervising every aspect of his recordings, from choosing the songs and arrangers to making minute adjustments in microphone placement.

Chrissie Hynde, for nearly four decades the singer/songwriter/ undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From “Tattooed Love Boys” and “Brass in Pocket” to “Talk of the Town” and “Back on the Chain Gang,” her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one-woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir *Reckless*, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we’ve come to expect, exactly where she came from and what her crooked, winding path to stardom entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls “the heavy bikers” and “the get-down boys.” Her flight from Ohio to London in 1973 essentially to escape the former and pursue the latter. Her scuffling years as a brash reviewer for *New Musical Express*, shop girl at the Malcolm McLaren and Vivienne Westwood boutique ‘*Craft Must Wear Clothes But The Truth Loves To Go Naked*’, first-hand witness to the birth of the punk movement, and serial band aspirant. And then, at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the indelible first album “*The Pretenders*,” and the rocket ride to “*Instant*” stardom, with all the disorientation and hazards that

involved. The it all comes crashing back down to earth with the deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock's great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled *Reckless*, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times—bestselling author of the Mafia classic *Wiseguy*—basis for the film *Goodfellas*—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. *Casino* is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).
