But with no money, skills, or sober friends or family, the task seems insurmountable. At wit's end, Cass turns to the only person with the means to help her: Ben's brother Scott, third basemen for the Boston Red Sox, a man with a temper and problems of his own. London is a town replete with ruthless business owners, shady government officials, and religious outsiders, all determined to keep their secrets from coming out. When other murders occur, Decker will need all of his extraordinary memory and detective skills, and the assistance of a surprising ally, to root out a killer and the forces behind Cramer's death. . . before the boom town explodes.
