Plus the magnets come packaged in a reclosable case, keeping everything handy at home or on the go! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history.

Thomas & Friends now make up a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.

"Based on the Railway Series by the Reverend W Awdry."

After telling his friends the story of "Jack and the Beanstalk," Thomas has an accident that causes him to dream about a beanstalk that takes him to the land of giants.

In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come. A New York Times Bestseller, One of The Wall Street Journal's "10 Books to Read Now," and One of Kirkus Reviews's Best Nonfiction Books of Year We all sense it—something big is going on. You feel it in your workplace. You feel it when you talk to your kids. You can't miss it when you read the newspapers or watch the news. Our lives are being transformed in so many realms all at once—and it is dizzying. In Thank You for Being Late, version 2.0, with a new afterword, Thomas L. Friedman exposes the tectonic movements that are reshaping the world today and explains how to get the most out of them and cushion their worst impacts. His thesis: to understand the twenty-first century, you need to understand that the planet's three largest forces—Moore's law (technology), the Market (globalization), and Mother Nature (climate change and biodiversity loss)—are accelerating all at once. These accelerations are transforming five key realms: the workplace, politics, geopolitics, ethics, and community. The year 2007 was the major inflection point: the release of the iPhone, together with advances in silicon chips, software, storage, sensors, and networking, created a new technology platform that is reshaping everything from how we hail a taxi to the fate of nations to our most intimate relationships. It is providing vast new opportunities for individuals and small groups to save the world—or to destroy it. With his trademark vitality, wit, and optimism, Friedman shows that we can overcome the multiple stresses of an age of accelerations—if we slow down, if we dare to be late and use the time to reimagine work, politics, and community. Thank You for Being Late is an essential guide to the present and the future. As Thomas travels around the Island of Sodor, he learns the concept of opposites, from near and far to big and small.

Trace and count with Thomas and his friends in this hands-on adventure! Race and trace with Thomas and his friends in this interactive story! Follow along with Percy as he delivers the mail, haul the express train with Rebecca, and smile bright with Nia as they go about their daily tasks. Traceable tracks perfect for little hands and your favorite useful engines as plastic pieces to push and count along, this book is the perfect story time activity for early learners!

This alphabet book of fantastic LEGO creations is specifically for toddlers. It's a visual LEGO feast rather than an instructional book. The colorful, bold images are easily recognizable for the youngest LEGO enthusiasts.

Thomas the train engine thinks that all the other engines are too busy to help him celebrate his birthday, but he is in for a surprise.

A storm has damaged the sign at the Sodor Search and Rescue Center, so Sir Topham Hatt sends Thomas to deliver a replacement, but when he hears that Spencer has had an accident, he decides to stop and help his friend first.

Collects two stories in which Thomas must first carry a heroic firefighter to an awards ceremony and then deliver a special load of blocks needed to finish the construction of a bridge.

"Simple stories focus on short and long vowels"--Back cover.

With the help of Sir Topham Hatt, Duck and Percy find a way to stop the other engines in the train yard from ordering them around.

Collects twenty-four previously published stories about Thomas the tank engine and his friends, including "Henry to the Rescue," "Thomas Saves the Day," "James in a Mess," and "Edward's Exploit."

Count along with Thomas the Tank Engine as he chugs around the Island of Sodor. This companion to the perennial classic Thomas' ABC Book teaches numbers to train-obsessed little boys and girls ages 3-7 as only Thomas & Friends can. From the Trade Paperback edition.

The engines of Sodor go about their daily work schedule, in a book that counts the items each engine is carrying, from one cow to twenty whistles.

It's a special day for the railway! A big, big bridge has opened in the new rail line through the Mountains of Sodor. Thomas is excited, but some of the other engines are afraid of being so high. Can Thomas help them get over their fears—or will he become afraid, too? From the Hardcover edition.

Thomas the Tank Engine and his friends celebrate Christmas on the island of Sodor.

An engaging adventure story based on an episode of the popular television series starring Thomas the Tank Engine and his friends.

Little ones will fall in love with Thomas & Friends in this fun introduction and early learning book! Thomas and his friends are on a mission to deliver the zoo animals to their new home! Puff along with your favorite Really Useful Engines while learning about colors, counting, and adorable animals. With chunky flaps and cutout shapes perfect for little fingers, this is sure to be a story time favorite! Peep-peep! When James gets into trouble, it's Thomas to the rescue! Real moving wheels and 3 interactive sound buttons bring the story to life, engaging young readers and encouraging learning through play.

What does it take to bring the entire Island of Sodor Railway System to a halt? Just a crack in the track. Well, a crack in the track and some hail on rail . . . and a toad in the road, and a fuss on the bus. In fact, one thing leads to another until just about everything that can go wrong does go wrong. Luckily, there's a breakdown train with a couple of cranes that can fix a big mess (and they don't mind the rain). From the Hardcover edition.

Blue train Thomas works all day, and green train Percy works all night.

Thomas is taking the judge to the train show! He speeds up a hill, across a ridge, through a tunnel, and over a bridge. But as soon as Thomas starts to go fast—screech!—he has to slow down. A goat is in the way, the wind is pushing him back, the tunnel is very dark, and logs are on the track! As soon as Thomas gets past each delay, he gets to go fast—at last! But will they reach the show on time? Go, Thomas, go!

Thomas the Tank Engine and his friend Percy are startled and scared to see a dinosaur in the forest!

Thomas and his friends compete at the Great Railway Show race.
