Hema Malini, the quintessential 'Dream Girl' of Hindi cinema, has truly nurtured a dream and followed it to its realization. After being unceremoniously dropped from her first Tamil film as the director felt that she didn't have 'star quality', Hema signed the Hindi film she was offered opposite Raj Kapoor. Just eighteen, she soon conquered the hearts of all moviegoers with her beauty, grace and charisma. From Johnny Mera Naam to Sholay, from Meera to Baghbaan, she has portrayed a diverse range of characters that will always remain a part of film legend. Raj Kapoor, Dev Anand, Sanjeev Kumar . she worked with all the leading stars, but it was with Dharmendra that the chemistry on screen was palpable. The special bond she shared with Dharmendra set the rumour mills buzzing, and defying all conventions, Hema married her Jat hero in May 1980. Striking a perfect balance between her personal and professional life, Hema maintains a dignity about the little world she shares with daughters Esha and Ahana. This intimate portrayal, the first authorized biography, by Bhawana Somaaya is a result of her long years of association with Hema as a film journalist and critic. Hema speaks to Bhawana more candidly than ever before about her life, with and without Dharmendra, her children, her mother and her twin passions of dance and acting.

"I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

"An engaging, beautifully synthesized page-turner" (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this "candid and blackly funny" (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. "At her most emotionally raw" (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this "feminist manifesto" (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a "bracing... guide to our political arena" (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

Emma, first published in 1816, was written when Jane Austen was at the height of her powers. In a novel remarkable for its sparkling wit and modernity, Austen presents readers with two of literature's greatest comic creations—the eccentric Mr. Woodhouse and that quintessential bore, Miss Bates. Here, too, we have what may well be Jane Austen's most profound characterization: the witty, imaginative, self-deluded Emma, a heroine the author declared "no one but myself will much like," but who has been much loved by generations of readers.

Delightfully funny, full of rich irony, Emma is regarded as one of Jane Austen's finest achievements.

On any given day nearly half of the world's population is wearing blue jeans: this is a fascinating study of the causes, nature and consequences of the rise of global denim.

Mumbai has produced many dons—but perhaps none so colourful as Abu Salem. The flamboyant ex-aide of Dawood Ibrahim is best known for his involvement in the Mumbai blasts of 1993 and for the murder of music composer Gulshan Kumar. But he became equally famous for his relationship with actress Monica Bedi and his close connection to Bollywood, leading to a number of attempted murders of the film industry's biggest names. Now comes the ultimate telling of his life from the writer who knows the Mumbai underworld better than anyone else.

Gripping, full of unknown details and first-hand accounts, My Name is Abu Salem is another unputdownable book from S. Hussain Zaidi.

An autobiographical exploration of the role and meaning of music in our world by one of India's greatest living authors, himself a vocalist and performer. Amit Chaudhuri, novelist, critic, and essayist, is also a musician, trained in the Indian classical vocal tradition but equally fluent as a guitarist and singer in the American folk music style, who has recorded his experimental compositions extensively and performed around the world. A turning point in his life took place when, as a lonely teenager living in a high-rise in Bombay, far from his family's native Calcutta, he began, contrary to all his prior inclinations, to study Indian classical music. Finding the Raga chronicles that transformation and how it has continued to affect and transform not only how Chaudhuri listens to and makes music but how he listens to and thinks about the world at large. Offering a highly personal introduction to Indian music, the book is also a meditation on the differences between Indian and Western music and art-making as well as the ways they converge in a modernism that Chaudhuri reframes not as a twentieth-century Western art movement but as a fundamental mode of aesthetic response, at once immemorial and extraterritorial. Finding the Raga combines memoir, practical and cultural criticism, and philosophical reflection with the same individuality and flair that Chaudhuri demonstrates throughout a uniquely wide-ranging, challenging, and enthralling body of work.

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutka bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond, of different ethnicities, languages, and religions, have washed up on its shores, bringing with them their desires and ambitions. Mumbai Fables explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai through its turning points and kaleidoscopic ideas, comic book heroes, and famous scandals--the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, Mumbai Fables offers an unparalleled look at this extraordinary metropolis.

In her second book, award-winning actor Divya Dutta recounts her experiences with some of the stalwarts of Bollywood who played a significant role in her film journey. Her interactions with stars like Irfan Khan, Amitabh Bachchan, Rakeysh Mehra and many more shows not only the deep impact they had on her life but also how that defined the trajectory of her own career.

I am Lakshmi Prasad, native of Bihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.
