This text is based on current research findings and is written for students and general readers who want a deeper understanding of this period in German history. It provides a balanced approach in examining Hitler's role in the history of the Third Reich and includes coverage of the economic, social, and political forces that made the rise and growth of Nazism possible; the institutional, cultural, and social life of the Third Reich; the Second World War; and the Holocaust.

"Sources for the History of Western Civilization is a primary source reader designed specifically for students to interact with the sources with limited editorial additions. It begins in the second millennium BC with The Descent of Ishtar and ends with Isaac Newton's The Principia. This volume can stand alone as the primary source reader for the first half of a Western Civilization course or be paired with Michael Burger's overview text, The Shaping of Western Civilization, Vol. 1."-- Provided by publisher.
