

When Your Lion Needs A Bath

Little Leo is a great listener. His listening skills even save his family from danger. But Leo refuses to roar. His father worries that Leo will never earn the respect of the other animals. Only Leo's mother believes her son will roar when he is ready. Will Leo find his voice when his family needs him most? This unique addition to the New Classics Books collection contains an endearing story about doing things your own way, in your own time. Written by Nicholas Tana, with colorful illustrations by Jessie Fox, and creative story design by Matthew Molleur. Blast off with New York Times bestselling and Newbery Honor-winning Jennifer L. Holm's out-of-this-world new novel about a kid raised on Mars who learns that he can't be held back by the fears of the grown-ups around him. Bell has spent his whole life - all eleven years of it - on Mars. But he's still just a regular kid - he loves cats, any kind of cake, and is curious about the secrets the adults in the US colony are keeping. Like, why don't have contact with anyone on the other Mars colonies? Why are they so isolated? When a virus breaks out and the grown-ups all fall ill, Bell and the other children are the only ones who can help. It's up to Bell - a regular kid in a very different world - to uncover the truth and save his family ... and possibly unite an entire planet. Mars may be a world far, far away, but in the hands of Jennifer L. Holm, beloved and bestselling author of *The Fourteenth Goldfish*, it can't help but feel like home.

From rising star Sanne Dufft comes a richly illustrated picture book about nighttime fears, a grandmother's love, and the power of a child's imagination. Morgan, an endearing tousle-haired little boy, feels big and strong during the day with his tall hat and his toy sword. But at night, when he dreams that a robber is coming through the woods to take these precious possessions, all of Mom's assurances that "there is no robber" are not enough to ease his fears. Then Nana brings Morgan a stuffed toy lion, because everybody needs a lion sometimes - and because sometimes, fears in a child's mind can only be conquered with the imagination. That night, Morgan rides a life-sized Night Lion into the woods and together they drive the robber far away. Comforting watercolour illustrations soothe any scary scenes, and the magical Night Lion will find an instant welcome in young readers' hearts.

From the fabulous partnership of award-winning author Jim Helmore and the brilliant Richard Jones comes a stunning book about friendship. When Caro and her mum move to a new house, Caro becomes lonely. There's only so much exploring she can do by herself! It's not long though before she makes a new friend - The Snow Lion. He's as white as snow, and together they have fun playing hide and seek, chasing and sliding. However, it's soon time for Caro to venture out on her own . . . With a slightly magical, classic feel and a lovely message, *The Snow Lion* is a story which will appeal to children and parents alike, and the beautiful illustrations make this a book to treasure.

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. *The Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

Two injured shifters get a second chance at life...and love. Matilda escaped into the wild to lick her wounds and heal as best she can from captivity and torture at the hands of people who hunt shifters and imprison them. She is a lioness, but her natural confidence has been shaken by the experience. What she needs is a second chance to live, to heal, and to find her lioness's roar once more. Georgio is a bear of a man who has seen and done things in foreign lands that have changed him forever. It takes a lot to harm a shifter of his strength, but being blown up by an Improvised Explosive Device just about did the job. He is looking for his lost sense of purpose, and something drives him to keep looking for the lost lioness when everyone else gives up. When these two heart-wounded shifters finally meet, it's just possible they will find their second chances start with each other. But the hunters are still hunting Matilda and they're going after her only human friend to try to recapture her. Surprises, secrets, and reclusive billionaires notwithstanding, the bear and the lioness will have to come to terms with their sizzling attraction, and bruised hearts, if they're going to forge a new future together.

"This charming and hilarious board book highlights the many ways to make an under-the-weather elephant feel better!"--

This charming version of a well-known chant takes place on the African savanna In this beautifully illustrated rendition of a well-known children's chant, two sisters are looking not for a bear but for a lion—a lion that lives on the African savanna, where the girls go through swishy-swashy long grass, a splishy-splashy lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world.

All four board books in the *When Your...* series are now available in one boxed set! Does your lion need a bath? Does your elephant have the sniffles? Does your llama need a haircut? Perfect for kids who are going through similar everyday situation, these rollicking board books will have little ones learning and laughing at the same time. This sweet and silly collection includes: *When Your Lion Needs a Bath* *When Your Elephant Has the Sniffles* *When Your Llama Needs a Haircut* *When Your Monkeys Won't Go to Bed* With the wit and read-aloud appeal of Peter Brown's *Children Make Terrible Pets* and William Steig's *Pete's a Pizza*, this funny, fierce picture book teaches kids just what it takes to be a great lion There are seven steps to becoming a proper lion, including Looking Fierce, Roaring, Prowling Around, and Pouncing. Our young hero, a rather meek and scrawny human boy, does his best to learn the necessary skills during his training with a master instructor (who just happens to be a real lion). After a grueling set of lessons, the boy discovers that that the final step—Looking Out for Your Friends—is the most important of all. That's how any kid can earn his lion diploma (not to mention the affection of every cat in town).

Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the

reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. This relatable story from award-winning author-illustrator Hyewon Yum explores the universal fear of first haircuts with honesty, tenderness, and humor Little lion needs a haircut. But he doesn't want one! Is he worried? No. Is he scared? NO! He just likes his hair the way it is. R-O-A-R! But there's someone else who needs a haircut, too . . . it's Dad, and he doesn't want one, either! Maybe if they go to the barbershop together, there will be nothing to worry about.

From flat-topped acacia trees to great migrations of wildebeest across an edgeless expanse of grass, the Serengeti is one of the world's most renowned ecosystems. And at the apex of this incredible landscape prowls its seemingly indomitable ruler: the Serengeti lion. These majestic mammals are skillful hunters, iconic, and integral to Serengeti health. But they also commit infanticide; eat local people and destroy local livelihoods; are a source of profit for those who make money shooting or conserving them (and sometimes both); and are in constant danger from the encroachments of another species: humans. With *Lions in the Balance*, celebrated lion researcher and conservationist Craig Packer takes us back into the complex, tooth-and-claw worlds of lion conservation and behavior. A sequel to Packer's *Into Africa*—which gave many readers their first experience of field work in Africa, of Tanzanian roads, of long hours spent identifying lions by their ear marks and scars, and of the joys of bootlegged Grateful Dead tapes beneath savannah moons—this diary-based chronicle of adventure, real-life danger, and

corruption will both alarm and entertain. Packer's story offers a look into the future of the lion, one in which the politics of conservation will require survival strategies far more creative and powerful than any now possessed by the citizens of the savannah—humans included. Packer is sure to infuriate poachers, politicians, and conservationists alike as he minces no words about the problems he sees. But with a narrative stretching from Arusha to Washington, DC, and marked by Packer's signature humor and incredible candor, *Lions in the Balance* is a tale of courage against impossible odds, a masterly blend of science and storytelling, and an urgent call to action that will captivate a pride of readers.

A Stonewall Book Award Winner! "Little and Lion is beautifully insightful, honest, and compassionate. As the widely-admired CEO of Tyco International, Dennis Kozlowski grew a little-known New Hampshire conglomerate into a global giant. In a stunning series of events, Kozlowski suddenly lost his job along with his favored public status when he was indicted by legendary Manhattan DA Robert Morgenthau—it was an inglorious end to an otherwise brilliant career. Kozlowski was the face of corporate excess in the turbulent post-Enron environment; he was pictured under headlines that read "Oink Oink," and publicly castigated for his extravagant lifestyle. "Deal-a-Day Dennis" was transformed into the "poster child for corporate greed." Kozlowski was ultimately convicted of grand larceny and other crimes that, in sum, found the former CEO guilty of wrongfully taking \$100 million from Tyco. *Taking Down the Lion* shines a bright light on former CEO Dennis Kozlowski and the Tyco corporate scandal—it is the definitive telling of a largely misunderstood episode in U.S. business history. In an unfiltered view of corporate America, Catherine Neal pulls back the curtain to reveal a world of big business, ambition, money, and an epidemic of questionable ethics that infected not only business dealings but extended to attorneys, journalists, politicians, and the criminal justice system. When the ugly truth is told, it's clear the "good guys" were not all good and the "bad guys" not all bad. And there were absolutely no heroes.

The lion at the little French zoo is a favorite of all the townspeople. Every day they stop by to feed him tidbits and say, "Bonjour, Happy Lion." Naturally, when the lion finds his door open, he decides it would only be proper to visit all his friendly neighbors in return. But, wait—sacré bleu! Why is everyone fleeing in terror? Meet Chloe: Every week, she collects loose change so she can buy tickets to ride the merry-go-round. But one fateful day, she gets lost in the woods on her way home, and a large dragon leaps out from—"Wait! It's supposed to be a lion," says Mac Barnett, the author of this book. But Adam Rex, the illustrator, thinks a dragon would be so much cooler (don't you agree?). Mac's power of the pen is at odds with Adam's brush, and Chloe's story hangs in the balance. Can she help them out of this quandary to be the heroine of her own story? Mac Barnett and Adam Rex are a dynamic duo, and two of the strongest contemporary voices in picture books today. In an accessible and funny way, Chloe and the Lion talks about the creative process and the joys and trials of collaboration.

Shares some ideas on how to bathe a pet lion despite its typical dislike of water, including being extra sneaky with towels and rubber ducks while coaxing the lion into the sudsy tub.

From the New York Times bestselling author/illustrator of Max the Brave comes an inspiring and adorable picture book about a pair of unlikely friends who face down a pack of bullies. In this timely and charming story about the importance of being true to yourself, mindfulness, and standing by your friends, we meet Leonard, a lion, and his best friend Marianne, a . . . duck. Leonard and Marianne have a happy life together—talking, playing, writing poems, and making wishes—until one day a pack of bullies questions whether it's right for a lion and a duck to be pals. Leonard soon learns there are many ways to be a lion, and many ways to be a friend, and that sometimes finding just the right words can change the world . . . This sweet, funny, thoughtful, and much-needed story will open up readers' eyes to the importance of being who they are and not backing down to hurtful criticism. It's an empowering tale about connecting with others and choosing kindness over bullying, and shows children how angry and provocative words can be overcome by empathy and inner courage. A children's book series of short stories that feature animals, birds, and insects to communicate messages of direction, hope, health & wellness, safety and character building This children's book series was inspired by a recently published book: The Talking Birds, by the same author and photographer of this book. This children's book #1 is part of a series of twelve children's books that have been produced to communicate messages of direction, hope, safety and character building. These books feature a variety of candid photographs of wildlife animals, birds, and insects in different natural settings. These photos were photo-captured by International Nature Photographer, Mr. Youli Xia, a native of Beijing, China. Each photograph highlights a distinctive expression. Using the imagination, the expressions conveyed in the photos will set the stage for long talks with the animals, birds, and insects. This book series interactively shares twelve short, simple, easy-to-read, and easy-to-understand stories. These stories are designed to capture the interest and attention of young children from the ages of 4-9. They will be fascinated by the vibrant colors and the dramatic candid facial or body expressions of the subjects in the photographs. The intended educational value for this book series and the other future books is to offer effective tools for character building. These stories are sure to include the mention and discussion of core values like respect, responsibility, self-esteem, compassion, making good choices, health and wellness, love, manners, friendships/relationships patience, accountability, leadership, trustworthiness, thoughtfulness and safety,

to name a few. This book series will serve as a responder to help fill a void that currently exists and is widening in our present society, particularly amongst our children. With the spread of negative energy through all forms of media, compounded with the lack of positive role models—from the top down, many of our children are denied exposure to strong core values that could help establish and build healthy foundations for one's character. The hope is that these animal, bird, and insect subject short stories will effectively communicate messages that will help to turn matters around. The vision is that our young children will grow to become productive, respectful, responsible, patient, accountable, thoughtful and safe. Each story will feature at least one key word to be noted and remembered. Also, each story will highlight a moral or life lesson. Finally, each story encourages a discussion with follow-up questions.

First it was a media sensation. Then it became the #1 international bestseller *A Long Way Home*. Now it's *Lion*, the major motion picture starring Dev Patel, Nicole Kidman, and Rooney Mara—nominated for six Academy Awards! This is the miraculous and triumphant story of Saroo Brierley, a young man who used Google Earth to rediscover his childhood life and home in an incredible journey from India to Australia and back again... At only five years old, Saroo Brierley got lost on a train in India. Unable to read or write or recall the name of his hometown or even his own last name, he survived alone for weeks on the rough streets of Calcutta before ultimately being transferred to an agency and adopted by a couple in Australia. Despite his gratitude, Brierley always wondered about his origins. Eventually, with the advent of Google Earth, he had the opportunity to look for the needle in a haystack he once called home, and pore over satellite images for landmarks he might recognize or mathematical equations that might further narrow down the labyrinthine map of India. One day, after years of searching, he miraculously found what he was looking for and set off to find his family. *Lion* is a moving, poignant, and inspirational true story of survival and triumph against incredible odds. It celebrates the importance of never letting go of what drives the human spirit: hope. Previously published as *A Long Way Home*
